**Annexure to Notice
EXPLANATORY STATEMENT**

PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

The following Explanatory Statement sets out the material facts referred to in Item Nos 3 to 8 of the Notice convening the 46th AGM:

ITEM No. 3

Section 139 of the Companies Act 2013 (Act) was implemented with effect from 1st April 2014 which lays down the criteria for appointment and rotation of auditors. Accordingly the incumbent auditor have completed more than 10 years as statutory auditors of the Company and will be completing the transitional period of three years in the ensuing AGM. The Audit Committee in its meeting held on 18th May 2017 recommended the appointment of M/s. MZSK & Associates Chartered Accountants, Chennai (Firm Registration No. 105047W) and the Board is proposing the appointment of the said firm as statutory auditors for a period of five years from the conclusion of this AGM till the conclusion of the AGM to be held in the year 2022 for 5 financial years from 2017-18 to 2021-22. The share holders are requested to consider and pass this resolution as an ordinary resolution.

ITEM No. 4

The Board of Directors, on the recommendation of the Audit Committee, at their meeting held on 18th May 2017 appointed Mr. P.R.Tantri, Cost Accountant, (M. No 2403) as Cost Auditor at a remuneration of Rs.1,00,000/- (Rupees One lakh only) subject to applicable tax and levies to conduct the cost audit of the cost accounts and records of the Fertilizers Division of the Company for the financial year ending 31 March, 2018. In accordance with the provisions of Section 148 of the Act, and the Rules made thereunder, the remuneration payable to the Cost Auditor shall be ratified by the Members of the Company.

Accordingly, consent of the Members is sought for passing an Ordinary Resolution as set out in Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditor for the financial year ending 31 March, 2018.

Memorandum of Interest:

None of the Directors, Key Managerial Personnel of the Company and their relatives is interested in this Resolution.

ITEM No. 5

As per Regulation 23 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 (LODR), approval of the Members is required for transactions with Related Parties ("RP") which are material in nature to ensure transparency in the dealings with the RP of the Company.

During the year 2016-17, the Company had purchased raw materials from M/s. Wilson International Trading Pte Limited, Singapore for a value of Rs. 22042.20 lacs (including demurrage charges) in the ordinary course of business and at arm's length basis. The transaction is considered material in nature pursuant to the LODR and hence the proposed Ordinary Resolution. The transaction was approved by the Audit Committee / Board of Directors as required under the Company's Policy on Related Party Transactions.

As per Regulation 23 of LODR, all Related Parties shall abstain from voting on resolution(s) seeking approval of

Members for material Related Party Transactions. Wilson International Trading Pte Limited, Singapore do not hold any shares in the Company.

The Board recommends the Ordinary Resolution seeking consent of the Members as set out at Item No. 5 of the Notice for approving the transactions entered into by the Company.

Memorandum of Interest:

Except Mr. Ashwin C Muthiah, Chairman and his relatives, none of the Directors, Key Managerial Personnel of the Company and their relatives is interested in this Resolution.

ITEM NO: 6

The Board of Directors at their Meeting held on 30th January 2017, had approved the proposal of setting up a solar power project and to incorporate a company for this purpose. The main object of the company on its incorporation will be the generation and distribution of electric power from solar energy. The subscribers to the Memorandum of Association of the company to be incorporated would be M/s. AM International Holdings Pte Limited, Singapore (AMIH), Southern Petrochemical Industries Corporation Limited (SPIC), Greenstar Fertilizers Limited (Greenstar) and Tuticorin Alkali Chemicals and Fertilizers Limited (TFL).

The following are the details relating to the Project :

- 1) Capacity : 25 MW to 29 MW DC
- 2) The estimated project cost would be around Rs. 136 crores.
- 3) Location : In the 65 acres of land within the factory in Tuticorin where there is water reservoir.

The Board further approved that the Company would invest a sum upto Rs. 12 Crores (Rupees Twelve Crores only) in the share capital of M/s. Greenam Energy Private Limited to be incorporated subject to approval of the shareholders under Section 186 of the Companies Act, 2013.

The Company in the name and style of M/s. Greenam Energy Private Limited was incorporated on 7th April 2017.

The aggregate amount of investments so far made by the Company along with the proposed investments in M/s. Greenam Energy Private Limited is in excess of the limits the Board is authorised to invest. Hence pursuant to Section 186 and other applicable provisions of the Act, if any, and the Rules made thereunder, approval of the Members is sought for the proposed investment.

The Board recommends the Special Resolution seeking consent of the Members for investing in the securities of M/s. Greenam Energy Private Limited upto an aggregate amount not exceeding Rs. 12 Crores.

Memorandum of Interest:

Except Mr. Ashwin C Muthiah, Chairman and Mr. S R Ramakrishnan, Whole-time Director and their relatives, who do not hold any shares in M/s. Greenam Energy Private Limited, none of the Directors, Key Managerial Personnel of the Company and their relatives is interested in this Resolution.

ITEM NO. 7

- h. During the year 2016-17 there was a delay in payment of interest to a creditor with regard to a debt and hence, prior approval from the creditor has been obtained for the re-appointment and payment of remuneration to Mr S R Ramakrishnan as Whole-time Director.

C. Other Information

Reasons for loss / inadequacy of profit :

The Company settled the dues to the Creditors in terms of the Scheme of Compromise and Arrangement under Section 391 and other relevant provisions of the Act, and final payment was made by March 2014 in accordance with the approved Scheme leaving no further liability. As on 31st March 2014, the Company had an accumulated loss of Rs. 327.02 crores. During the last three years ending 31st March 2017, the Company has been on a revival path constantly taking efforts to tie up working capital requirement in the absence of financial support from Banks and Financial Institutions. The Fertiliser subsidy receivable from the Government of India was also being delayed leading to financial crunch. Overcoming the said constraints, the Company was able to manage in operating the Plant steadily. Even though the Company was ending up with reasonable net profit during the last three years, in view of the huge accumulated loss, the profits are considered inadequate as per calculations pursuant to Section 198 of the Companies Act, 2013 .

Memorandum of Interest:

Except Mr. S R Ramakrishnan, Whole-time Director and his Relatives, none of the Directors, Key Managerial Personnel of the Company and their Relatives is interested in this Resolution.

ITEM NO.8

The Board of Directors at their Meeting held on 21st May 2015 had approved the proposal of entering into a MoU with M/s. Tuticorin Alkali Chemicals and Fertilizers Ltd (TFL) for

settlement of outstanding dues to SPIC. The amount due were towards supply of CO₂ Gas, Ammonia pumping charges and infrastructure facilities besides an outstanding unsecured loan. TFL, with a view to settle the dues, had approached the BIFR with a Draft Rehabilitation Scheme (DRS) converting outstanding dues aggregating Rs. 29.81 Crores into 60,50,000 equity shares of Rs. 10/- each and 23,76,000 redeemable cumulative preference shares of Rs. 100/- each. Consequent upon the dismantling of BIFR, the matter has been referred to National Company Law Board Tribunal (NCLT). The Company with the approval of the Board of Directors of the Company at their Meeting held on 18th May 2017, has executed a Consent Affidavit for conversion of outstanding loan and other dues into securities of TFL as permitted by NCLT. Based on the Order passed by NCLT, it is proposed to convert the outstanding unsecured loan and other receivables into securities of TFL on such term and subject to compliance to Regulatory requirements.

The aggregate amount of investments so far made along with the proposed investment in TFL upon conversion would be in excess of the limits the Board is authorised to invest. Hence pursuant to Section 186 and other applicable provisions of the Act, approval of the Members is sought for the proposed investment.

The Board recommends the Special Resolution seeking consent of the Members for investing in the securities of M/s. Tuticorin Alkali Chemicals and Fertilizers Ltd.

Memorandum of Interest:

Except Mr. B Narendran, none of the Directors, Key Managerial Personnel of the Company and their relatives deemed to be interested in this Resolution.

STATE OF COMPANY'S AFFAIR

Production

During the year under review, the plants were in operation between 8th May '16 to 24th January '17 and from 13th March '17 onwards. The stoppage of plants for 37 days during April '16 - May '16 was for Annual Turnaround Maintenance and during January '17 - March '17 for 47 days was due to shortage of water on account of monsoon failure and opportunity driven turnaround maintenance including Urea Reactor repair. During the periods of shutdown, repairs and maintenance activities were undertaken to improve the reliability and energy efficiency levels for sustained production. Your Company produced 100% neem coated urea and achieved 5,62,670 MTs during the year 2016-17 compared to 6,20,426 MTs in the previous year. During the year, sale of Manufactured Urea was 5,42,352 MTs and sale of Imported Urea was 1,28,604 MTs.

Your Company has also achieved the best ever energy efficiency levels of 6.664 GCal/MT of Urea since commissioning compared to previous year's 6.8484 GCal/MT. The plants were operated using mainly imported Naphtha and Furnace Oil.

Handling of Imported Urea:

Government of India allotted SPIC, two coastal ports namely Karaikal and Tuticorin for handling imported urea in the previous year. Your Company has handled 1.15 lakh tons of Imported Urea during the financial year 2016-17.

Working Capital :

Augmenting working capital to enable sustained operations of your Ammonia and Urea Plants has been assigned prime importance. After a gap of several years, your Company approached M/s. India Ratings and Research Private Limited, a Fitch Group Company for assignment of credit rating. They have assigned BBB. (minus) indicating investment grade. This rating by Fitch is expected to give comfort to the Bankers / Financial Institutions to consider extending financial assistance to your Company.

Your Company has been able to tie up funds by way of Rupee denominated (unsecured) Masala Bonds as per RBI Guidelines for about Rs.335 crores from one of the Related Parties to be issued in one or more tranches. During the year under review, one tranche was issued for Rs.34.09 Crores carrying 9% interest p.a.

Progress in conversion of ammonia plant from naphtha to gas:

Indian Oil Corporation, authorized to lay the Natural Gas Pipeline from Ennore to Tuticorin, has completed the engineering for the pipe line route from Ramnad to Tuticorin and has obtained Environmental clearance for this project. Your Company has obtained Environmental Clearance to operate the plant as mixed feed using Natural gas & Naphtha as Feedstock and continues to be in the state of readiness to complete the process as and when gas connectivity is established.

PUBLIC DEPOSITS

There are no deposits covered under Chapter V of the Companies Act, 2013 (the Act) during the year 2016-17, the details of which are required to be furnished.

CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of the Company are prepared in accordance with Section 129 (3) of the Act and relevant Accounting Standards Viz., AS-21 (Consolidated Financial Statements), AS-23 (Accounting for Investment in Associates in Consolidated Financial Statements) and AS-27 (Financial Reporting of Interests in Joint Ventures) issued by the Institute of Chartered Accountants of India and forms part of the Annual Report.

FINANCIAL STATEMENTS OF SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

Pursuant to Section 129(3) of the Act read with Rule 5 of the Companies (Accounts) Rules, 2014, the statement containing salient features of the financial statements of the Company's subsidiaries, associates and joint ventures (in Form AOC-1) is attached to the Financial Statements. During the year under review, no company has become or ceased to be its associates and joint venture companies. The subsidiary company in

Mauritius, M/s SPIC Fertilizers and Chemicals Limited (SFCL) was decided to be wound up as on 16th February 2017. The Board of Directors and shareholders of SFCL Mauritius have also approved the winding up, as on 16th February 2017.

Tamilnadu Petroproducts Limited (TPL)

During the year under review, revenue from operations was Rs. 1010.55 crores comparing to Rs. 793.55 crores in 2015-16. Operating profit for the year was at Rs. 67.07 crores compared to previous year figure of Rs. 12.76 crores. The Net profit for the year was at Rs. 9.55 crores as against Rs. 38.15 crores in the previous year. The decrease in the net profit was mainly due to provision for tax and interest demand amounting to Rs. 50.14 crores. On conservative basis TPL has made full provision in books of accounts for both tax & interest demand raised by the assessing officer. Crude prices continued to remain volatile ranging from USD 58 per barrel to USD 39 per barrel impacting the topline, however through better strategy the company achieved higher margins as compared to the previous year. In the month of December 2016, cyclonic storm Vardha hit Chennai causing damage. The Chlor Alkali division was shut down for nearly 10 days due to non-availability of power. The LAB plant however, was operated at low capacity with captive power generators.

Tuticorin Alkali Chemicals And Fertilizers Limited (TFL)

TFL commissioned a CO₂ Recovery Plant during mid-October 2016 and since then are using self generated CO₂ gas for its plant operation. The production rate is being ramped up. The turnover for the year was lower at Rs.132.55 crores with a net loss of Rs.34.51 crores. The offer of the Asset Reconstruction Company for a settlement was accepted and the details were submitted to BIFR under a revised Draft Rehabilitation Scheme (DRS) with the recommendation of IDBI. The DRS is currently under the consideration of National Company Law Tribunal and final orders are expected.

SAFETY, HEALTH AND ENVIRONMENT

Adequate care and attention have been bestowed on matters relating to safety, health and environment in the plant. Your Company is certified with the latest version of QMS - ISO 9001:2015 and EMS - ISO 14001:2015 Standards and has received two safety awards from the Government of Tamilnadu.

Your Company conducted health camps to create awareness on certain health related matters viz., Eye camps and Cancer / Diabetes awareness. Tree planting activity was taken up in the presence of TNPCB Officials bearing in mind the need to care for environment in and around the plant.

HUMAN RESOURCE AND INDUSTRIAL RELATIONS

Your Company has taken several initiatives to ensure that the knowledge gained over decades is shifted down to the next generation of employees. The Company has conducted Supervisory Development / Mentorship Programmes as well as

put in place "Succession Plan and Long term career growth plans". Your Company continues to provide a conducive work environment and opportunities for development of its employees. Industrial Relations in the Company have been cordial during the year under review. The number of employees as on 31st March, 2017 is 641.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Overview

The year 2016-17 witnessed erratic monsoon which affected fertilizer consumption including Urea. Due to this aberrations in seasonal monsoon, the inflow to the major reservoirs was also low resulting in the reduced cropping in command area in Karnataka, Andhra Pradesh and Tamil Nadu. Crop shifts and reduced area under coarse grains, resulted in reduced consumption of chemical fertilizers including Urea. In spite of unfavourable seasonal conditions India retained the position of second largest consumer of fertilizers in the world.

During the fiscal year 2016-17, the indigenous production, imports, supplies to the market and sale of Urea was less than that of the previous year. India produced a total of 24.201 million ton of Urea, which is 1.1% lesser than the production recorded during the previous year. The import of Urea under Government of India account during the year stood at 5.481 million ton which is 35.3% less over the last year. The total supplies to the market stood at 30.00 million ton which is less by 8 % that of the previous year. The sale of urea during the year recorded 29.607 million ton which is 7.4 % less than that of the previous year. (Source: Ministry of Chemicals and Fertilizers, Government of India).

The capacity utilization of Urea has declined from 95.2% to 90.8% in the current year. Due to the failure of north east monsoon, there was a drastic reduction in the consumption of Urea especially in the southern states. As a result, the stocks available in the market had increased to 1.337 million tonnes, which is 43.5% higher than that of the previous year.

Comparison of All India Urea Production, Import, Supplies and Sales with previous year.

Government of India is taking all out efforts to introduce Direct Benefit Transfer (DBT) of subsidy to farmers. The Department of Fertilizers is implementing this scheme in all states through the lead fertilizes supplier (LFS). Your Company being the LFS for Tamil Nadu and Pondicherry, is taking necessary actions to implement the introduction of sale of fertilizers through Electronic Point of Sales (ePOS) Devices to capture the buyer details. Once this scheme is rolled out in all the States, 100% of eligible subsidy will be paid to the manufacture / company after the purchase of the fertilizer by the beneficiary captured through this ePOS machines. Because of this there will be a major impact on the working capital requirement as "on account payment" of subsidy upon receipt of stocks are target market will be withdrawn.

Tissue Culture Business:

The financial year 2016-17 recorded the highest ever turnover of Rs. 855 Lacs. For the first time after introduction of Gerbera, we have recorded the highest sales of 1.236 Million plants. As part of the business development initiatives, we have initiated export of Gerbera Plants to Sri Lanka and entered in a virgin market namely Uttar Pradesh.

CHALLENGES

As mentioned in the last year's report, the completion of gas pipeline infrastructure by IOC and steady supply of gas are important requirements for stable operation of your Company. Your company has also started working on modernization of the Ammonia/Urea Plants to achieve lower energy consumption, to improve reliability and cost effective capacity expansion with mixed feedstock consisting of Naphtha and Natural Gas. Your company has engaged a leading process licensor, M/s KBR to carry out Basic Engineering & Design package for this purpose. This investment will have to be in line with the gas availability so that we are ready in time.

ACKNOWLEDGEMENT

Your Company is grateful for the co-operation and continued support extended by the Department of Fertilizers, Ministry of Chemicals and Fertilizers, Ministry of Petroleum and Natural Gas, Ministry of Agriculture, Ministry of Corporate Affairs and other Departments of the Central Government, the Government of Tamilnadu, Governments of other States, Tamilnadu Industrial Development Corporation Limited, Tamilnadu Generation and Distribution Corporation Ltd, Financial Institutions and Banks. The Directors appreciate the dedicated and sincere services rendered by all the employees of your Company.

The functional heads shall be involved in the process of selection of candidates and their recommendations duly considered by the HR Department.

The qualification, experience and skill expected of a Sr. Management personnel shall be determined on case to case basis depending on the position, role and responsibility.

Manner of appointment

The Functional Head shall decide the job description for a position and the requisite qualification and experience expected of the candidates. Candidates may be called for through references, HR Consultants, leading portals, advertisements, etc., depending on the exigencies. Screening shall be done by the HR Department in consultation with Functional Head. The shortlisted candidates may be interviewed by the Functional Head or some other Senior Departmental Person as may be nominated by him along with the HR Representative. Experts or Consultants can also be engaged in this process, if required.

Upon deciding the remuneration, joining time, etc. Offer letter shall be issued to the selected candidate. On due acceptance by the candidate and on his joining the Company, a final appointment letter shall be issued.

The Employees of the Company shall be governed by the Service conditions set out in the Service Rules/Standing Orders of the Company as amended from time to time.

Guidelines for fixing remuneration to Employees who are not Directors

The remuneration and other terms of employment are aimed to invite, inspire and retain talent for performing the requisite role.

The remuneration package and other terms, amenities, perquisites, etc. for an employee in Senior Management, Key Managerial Persons and Officer cadre may be determined on case to case basis depending on the position, role, responsibility, qualification and previous experience of the appointee and availability of persons willing to accept the offer. Evaluation of Senior Management Personnel will be conditional on successfully completing the period of probation as may be considered appropriate.

The eligibility to receive performance pay shall be decided based on appraisal of the individual concerned by his immediate superior and approved by the Functional Head or the Whole-time Director with reference to the targets fixed and achieved. The Chairman or the Whole-time Director shall have the authority to moderate the ratings in line with the Organizational performance.

Remuneration and other benefits to staff cadre employees shall be in terms of the wage settlements entered into between the Management and the representatives of the Staff/recognised Union from time to time.

In fixing the remuneration structure to the employees, due regard shall be given to ensure best possible benefits to the employees within the framework of law and considering the Organisational goals, performance of the Company and sustainability to pay.

The package shall maintain a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company.

Employees will also be covered under Group Accident Insurance, Health Insurance and Directors and Officers Liability Insurance as may be applicable to the respective cadre.

Changes to the Policy

The Board may vary the above criteria on need basis. The NRC on its own or at the request of the Board may review and recommend the Policy from time to time and introduce changes depending on the prevailing economic scenario and manpower requirements and the performance of the Company.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED**

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to Note No. 28(ii) of the financial statements regarding computation of subsidy based on the provisional retention price in line with the Government's policy dated 17th June 2015, as the final retention price has not been announced by the Department of Fertilizers. The necessary adjustments, if any, will be made when the final retention price is notified by the Department of Fertilizers.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – refer Note 30 of the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in the standalone financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements'

Section of our report of even date)

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED** ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

Note 1: Corporate Information

Southern Petrochemical Industries Corporation Limited ('the Company'/'SPIC'), having its registered office at Chennai is a Public Limited Company, incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange of India. The Company is manufacturing and selling Urea, a Nitrogenous chemical fertilizer and has its manufacturing facility at Tuticorin.

During the previous year, the Company was appointed as the Fertilizer Marketing Entity at Karaikal and Tuticorin Ports by Government of India, Department of Fertilizers for handling, neem coating, packaging, transporting, distribution and marketing of imported urea.

Note 2: Significant Accounting Policies

(i) Basis of Accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act") and the relevant provisions of the Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

(ii) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenditure during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

(iii) Inventories

Inventories are valued at the lower of cost on weighted average basis (on FIFO basis till 30 September 2016) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

(iv) Cash and cash equivalents (for the purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(v) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(vi) Revenue recognition and Other income

- a) Sales are recognised, net of returns on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.
- b) Under the New Pricing Scheme for Urea, the Government of India reimburses, in the form of subsidy, to the Fertilizer Industry, the difference between the cost of production and the selling price realized from the farmers, as fixed by the Government from time to time. This has been accounted on the basis of movement of fertilizer from the factory and receipt of the same at the warehouse/dealer point, as per the procedure prescribed by the Government and not on the basis of ultimate sales. The said amount has been further adjusted for input price escalation/de-escalation as estimated by the management based on prescribed norms.
- c) Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

(vii) Property, Plant & Equipments and Depreciation

Tangible assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of tangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on fixed assets after its purchase/completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Tangible assets include Land and Buildings and Plant and Machinery that were revalued as on 31 March 1996, 31 March 1999, 31 March 2000, 1 April 2002, 1 April 2003 and 31 March 2006 and the resultant surplus has been added to the cost of assets.

Tangible assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately in the Balance Sheet.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible assets has been provided on the straight line method as per the useful life prescribed in Schedule II of the Companies Act 2013, except in respect of the assets pertaining to Tuticorin manufacturing plant in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support

Asset	Useful life
Building – Factory	25 - 65 years
Building – Others	45 - 75 years
Plant and Machinery	15 - 49 years
Furniture and Fixtures	12 - 33 years
Vehicles	8 - 26 years
Office Equipments	7 - 38 years
Roads	34 - 44 years
Railway sidings	40 years

(viii) Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of intangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Intangible assets are amortised over their estimated useful life on straight line method. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

(ix) Capital work in progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

(x) Foreign Currency Transactions

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost. Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

(xi) Investments

Long-term investments are carried individually at cost less provision for diminution other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments includes acquisition charges such as brokerage, fees and duties.

(xii) Employee Benefits

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund and compensated absences.

a. Defined Contribution Plan

- (i) The Company contributes a sum of the eligible employees salary to a Superannuation Fund administered by trustees and managed by Life Insurance Corporation of India (LIC). The Company has no liability for future Superannuation Fund benefits other than its annual contribution and recognizes such contributions as an expense in the year in which the services are rendered.
- (ii) The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

b. Defined Benefit Plan

The Company makes annual contribution to a Gratuity Fund administered by trustees and managed by LIC. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

c. Long Term Compensated Absences

The Company treats its liability for long-term compensated absences based on actuarial valuation, as at the Balance Sheet date, determined by an independent actuary using the Projected Unit Credit method.

Actuarial gains and losses are recognised in the Statement of Profit and Loss in the year in which they occur.

While the long-term compensated absences is treated as long-term employee benefit for measurement purpose, it is presented as current provision in the Balance Sheet since, the Company does not have an unconditional right to defer its settlement for 12 months after its reporting date.

d. Short Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (i) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (ii) in case of non-accumulating compensated absences, when the absences occur.

(xiii) Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

(xiv) Segment Reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

(xv) Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

(xvi) Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

(xvii) Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

(xviii) Impairment of Assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(xix) Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

xx) Derivative Contracts

The company enters into derivative contracts in the nature of foreign currency options and forward contracts with an intention to hedge its existing assets and liabilities and firm commitments in foreign currency. Derivative contracts are marked to market and the losses are recognized in the Statement of Profit and Loss. Gains arising on the same are not recognized until realized, on grounds of prudence.

(xxi) Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

(xxii) Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Note 12(i): The Board of Directors of the Company have in their meeting held on 18 May 2017 approved the write off of investments of Rs. 18453.62 lac and advances due of Rs.2093.77 lac from a subsidiary company, SPIC Fertilizers and Chemicals Limited, Mauritius (SFCL Mauritius) as at 31 March 2017, against the provisions made in the earlier years, consequent to the recommendation of the Board of Directors of SFCL Mauritius for its winding up, through written resolutions passed on 16 February 2017, which was also approved by the shareholders of the said subsidiary company. However, there is no impact on this account in the standalone financial statements.

Note 12(ii): The Company has given an undertaking to the lenders of Tuticorin Alkali Chemicals and Fertilizers Limited for non disposal of its shareholdings in the said Company without their prior approval.

Note 12(iii) Consequent to the Scheme of Arrangement (Demerger) between SICAL Logistics Limited and SICAGEN India Limited, sanctioned by the Hon'ble High Court of Madras, by its order dated 20 December 2007, the Company was allotted 5,77,681 Equity Shares of the face value of Rs. 10 each in SICAGEN India Limited.

Note 12(iv) The Company promoted SPIC Petrochemicals Limited (SPIC Petro) in 1994-95 for the manufacture of Polyester Filament Yarn and Purified Terephthalic Acid. The Company had invested Rs.25375.00 lac in the equity share capital, Rs.5.00 lac in 8% redeemable cumulative non convertible preference share capital, Rs.30609.63 lac in Unsecured Zero Interest Bonds redeemable after 12 years from the date of commencement of commercial production. Consequent to the litigation between Chennai Petroleum Corporation Limited (CPCL) and the Company and winding up petitions filed by certain unsecured creditors, the Hon'ble Madras High Court ordered the winding up of the Company on 17 April 2009.

Against the above winding up order, SPIC Petro filed an appeal before the Division Bench of the Hon'ble Madras High Court. The Division Bench of the Hon'ble Madras High Court, dismissed the appeal on 26 April 2010. Meanwhile, ARCIL issued a notice on 19 March 2009, u/s 13(2) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act), directing SPIC Petro to make payment of the dues to ARCIL within sixty days from the date of the notice. As SPIC Petro could not make the payment, ARCIL took over the possession of the assets of SPIC Petro, under SARFAESI Act on 13 May 2010. Consequent to the above, the nominee directors of SPIC Limited have ceased to be directors of SPIC Petro with effect from 14 May 2010. Hence the Company had lost its control over SPIC Petro and full provision had already been made in the earlier years for the carrying value of investments and also for all other dues from this Company.

Note 12(v) During the year, the Company has invested in 68,700 numbers of Equity shares at Rs.10/- each, at a premium of Rs.1/- per share, aggregating to Rs.7.55 lac in OPG Power Generation Private Limited vide the Share Purchase and Shareholders Agreements entered on 22 December 2016 for purchase and consumption of 10 MW of power at a concessional tariff as applicable under Group Captive Scheme of the Government of India under Electricity Rules, 2005 to achieve savings in cost of power.

Note 28: Plant Operation

- During the year the Company achieved a production of 5.63 lac MT against the maximum permissible production of 6.20 lac MT. The Company, as Fertilizer Marketing Entity (appointed by Government of India) for marketing imported urea within the country, has handled 1.15 lac MT of urea and sold 1.29 lac MT.
- Government of India vide its notification dated 17 June 2015 had permitted the Company to produce Urea using Naphtha as feedstock on existing provisions till assured supply of gas is made available. Subsidy would be paid based on the Retention Price computed on the lower of naphtha or RLNG price.

Subsidy for the period 1 April 2016 to 31 March 2017 of Rs. 96773.18 lac has been accounted based on the provisional Retention Price (RP) computed in line with the Government's policy indicated in the notification dated 17 June 2015, as the final retention price has not been announced by the Department of Fertilizers. The necessary adjustments, if any, will be made when the final retention price is notified by the Department of Fertilizers.

Note 29: Commitments

Capital Commitments:

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) Rs. 1858.88 lac (Previous year Rs. 911.59 lac).

Note 30: Contingent Liabilities

- Claims not acknowledged as debts
 - The District Collector, Tuticorin vide his letter dated, 21 August 2009 had demanded Rs. 16873.97 lac (Previous year Rs.16873.97 lac) towards lease rent for the utilization of 415.19 acres of sand quarry poramboke lands by the Company for its effluent treatment and storage of Gypsum for the period from 1975 to 2008. While raising this demand, the District Collector had ignored the proposal submitted by the Company during 1975 to the State Government seeking assignment of the said land which is still pending. The Company had filed a writ petition challenging the demand before the Hon'ble Madras High Court and the court granted interim stay vide its order dated 21 April 2010 on further proceedings. During November 2010 the District Collector, Tuticorin has filed a counter before Hon'ble Madras High Court praying for the vacation of interim stay and the case is still pending.

- (ii) Tamilnadu Water Supply And Drainage Board (TWAD) has claimed payments for the period during which the Nitrogenous plants were not in operation, on the basis of 50% allotted quantity of water. The Company alongwith other beneficiaries has been enjoying this facility since inception of the 20 MGD Scheme for the last 41 years. Water Charges were paid to TWAD on the basis of actual receipt by individual industries. The claims including interest made by TWAD for Rs. 2795.28 lac (Previous year Rs. 2543.10 lac) is not acknowledged as debt, as this differential value from April 2009 to March 2017 is not supported by any Government Order and also the other beneficiaries are objecting to such claims of TWAD.
- (iii) The Company has received a demand from VOC Port Trust (VOCPT) towards increase in rental charges from 1 July 2007 onwards. The amount payable as on 31.03.2017 is Rs. 766.77 lac (from 01.07.2007 to 31.03.2017) (Previous year Rs. 714.43 lac). The Company obtained an injunction from the Madurai Bench of the Hon'ble Madras High Court against the claim made by the VOCPT and the stay has been granted till 10 June 2015. On 23.07.2015, Madurai Bench of the Hon'ble Madras High Court extended the stay until further orders.
- (iv) Other claims against the Company – Rs. Nil (Previous year Rs. 1300.00 lac).
- (b) Other Bank Guarantees outstanding Rs.31.78 lac (Previous year Rs. 31.78 lac).
- (c) Cumulative amount of Preference Dividend and Dividend Tax thereon not provided for the period from 1 April 2001 to 31 March 2017 is Rs. 3188.61 lac (Previous year Rs. 3006.57 lac)
- (d) No provision has been considered necessary by the Management for the following disputed Excise duty, Service tax, Sales Tax, Electricity tax and Employees State Insurance demands which are under various stages of appeal proceedings. The Company has been advised that there are reasonable chances of successful outcome of the appeals and hence no provision is considered necessary for these demands.

(a) Deferred Tax

(Rupees in lac)

Particulars	As at 31 March 2017	As at 31 March 2016
Depreciation	2045.59	2010.72
Deferred tax liability	2045.59	2010.72
Carry forward business losses and unabsorbed depreciation restricted to	2045.59	2010.72
Deferred tax asset	2045.59	2010.72

The deferred tax asset arising out of disallowances under section 43B of Income Tax Act 1961 and those relating to other provisions amounting to Rs. 21981.17 lac (Previous year Rs. 22822.06 lac) and de-escalation of subsidy amounting to Rs. 7303.25 lac (Previous year Rs. 8598.00 lac) have not been recognized as a matter of prudence.

The carry forward loss / unabsorbed depreciation for the year has given rise to net deferred tax asset of Rs. 17766.96 lac (Previous year Rs. 19495.27 lac). However, in the absence of virtual certainty that sufficient future taxable income will be available, the said deferred tax asset that can be recognised is restricted to the deferred tax liability of Rs. 2045.59 lac (Previous year Rs. 2010.72 lac) as given above. Accordingly, there is no net deferred tax asset or liability as at 31 March 2017 to be accounted for.

(b) Current Tax

There is no provision for tax in view of the brought forward losses / unabsorbed depreciation relating to earlier years available for set off while computing income both under the provisions of Sec 115-JB and those other than Sec 115-JB of the Income Tax Act, 1961.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") its associates and jointly controlled entities, comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its jointly controlled entities and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries, associates and jointly controlled entities referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note No. 29 (ii) of the consolidated financial statements regarding computation of subsidy based on the provisional retention price in line with the Government's policy dated June 17th, 2015, as the final retention price has not been

announced by the Department of Fertilizers. The necessary adjustments, if any, will be made when the final retention price is notified by the Department of Fertilizers.

Our opinion is not modified in respect of this matter.

Other Matter

We did not audit the financial statements of a subsidiary, whose financial statements reflect total assets of Rs. Nil as at 31 March 2017, total revenues of Rs. 35.13 lac and net cash inflows / (outflows) amounting to Rs. Nil for the period upto the date of winding up of that subsidiary as considered in the consolidated financial statements. We also did not audit the financial statements of a jointly controlled entity and three subsidiaries of another jointly controlled entity, whose financial statements reflect total assets of Rs.3935.80 lac as at 31 March, 2017, total revenues of Rs.78.56 lac and net cash inflows amounting to Rs. 39.28 lac for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs. Nil for the year ended 31 March, 2017, as considered in the consolidated financial statements, in respect of two associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on separate financial statements of subsidiaries, associates and jointly controlled entities, referred in the Other Matters paragraph above we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate company and jointly controlled entity incorporated in India, none of the directors of the Company, its associate company and jointly controlled entity incorporated in India is disqualified as on 31 March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Holding company, associate company and jointly controlled companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's, associate company's and jointly controlled company's incorporated in India internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate and jointly controlled entities – refer note 31 of the consolidated financial statements.
 - ii. The Group, its associate and jointly controlled entities did not have any material foreseeable losses on long-term contracts including derivative contracts.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, an associate and a jointly controlled company incorporated in India. There have been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by another associate company and jointly controlled company incorporated in India.
- iv. The Holding Company has provided requisite disclosures in the consolidated financial statements as regards the holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016 of the Group entities as applicable. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the relevant books of accounts maintained by those entities for the purpose of preparation of the consolidated financial statements and as produced to us and the other auditors by the Management of the respective Group entities.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March, 2017, we have audited the internal financial controls over financial reporting of **SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED** (hereinafter referred to as "the Holding Company") and its associate companies and a jointly controlled company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its associate companies and a jointly controlled company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its associate companies and jointly controlled company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the associate companies and a jointly controlled company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its associate companies and jointly controlled company, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its associate companies and a jointly controlled company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two associate companies and a jointly controlled company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

Note 1: Corporate Information

Southern Petrochemical Industries Corporation Limited (the Holding Company / 'SPIC'), having its registered office at Chennai is a Public Limited Company, incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange of India. The Company is manufacturing and selling Urea, a Nitrogenous chemical fertilizer and has its manufacturing facility at Tuticorin. During the previous year, the Holding company was appointed as Fertilizer Marketing Entity at Karaikal and Tuticorin Ports by Government of India, Department of Fertilizers for handling, neem coating, packaging, transporting, distribution and marketing of Imported Urea.

Joint venture company Tamilnadu Petroproducts Limited (TPL) is in the manufacturing and selling of petrochemical products namely Linear Alkyl Benzene (LAB) and Caustic Soda from the manufacturing facilities situated at Manali, near Chennai.

Note 2.a: Basis of Accounting and preparation of Consolidated Financial Statements

The consolidated financial statements of the Company and its subsidiaries and jointly controlled entities (together the 'Group') have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under Section 133 of the Companies Act, 2013 ("the 2013 Act") and the relevant provisions of the Act. The financial statements have been prepared on accrual basis under the historical cost convention except for categories of fixed assets that are carried at revalued amounts. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

Consolidated financial statements are prepared using uniform accounting policies except as stated in Note 2.c (vi) of this Schedule; the adjustments arising out of the same are not considered material.

Note 2.b: Principles of Consolidation:

The consolidated financial statements relate to Southern Petrochemical Industries Corporation Limited (the 'Holding Company'), its subsidiary companies, jointly controlled entities and the Group's share of profit / loss in its associates. The consolidated financial statements have been prepared on the following basis:

The financial statements of the subsidiary companies, jointly controlled entities and associates used in the consolidation are drawn upto the same reporting date as that of the Company i.e., 31 March 2017.

The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.

The consolidated financial statements include the share of profit / loss of the associate companies which have been accounted for using equity method as per AS 23 Accounting for Investments in Associates in Consolidated Financial Statements. Accordingly, the share of profit / (loss) of each of the associate companies (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments.

Share of profit / (loss), assets and liabilities in the jointly controlled entities, which are not subsidiaries, have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses on a proportionate basis to the extent of the Group's equity interest in such entity as per AS 27 Financial Reporting of Interests in Joint Ventures. The intra-group balances, intra-group transactions and unrealised profits or losses have been eliminated to the extent of the Group's share in the entity. Jointly controlled entities that are considered subsidiaries under AS 21 Consolidated Financial Statements are consolidated similar to the manner of consolidating subsidiaries (Refer (ii) below) and the share of interest of the other venturers in such entities is included as part of minority interest.

The excess of cost to the Group of its investments in the subsidiary companies / jointly controlled entities over its share of equity of the subsidiary companies / jointly controlled entities, at the dates on which the investments in the subsidiary companies / jointly controlled entities were made, is recognised as 'Goodwill' being an asset in the consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary companies / jointly controlled entities as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the consolidated financial statements. The goodwill / capital reserve is determined separately for each subsidiary company / jointly controlled entity and such amounts are not set off between different entities.

Minority Interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.

The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the consolidated financial statements as Goodwill or Capital reserve as the case may be.

Following subsidiary companies, associates and jointly controlled entities have been considered in the preparation of the consolidated financial statements:

(i) Subsidiary Companies:

The subsidiary companies considered in these financial statements are:

Name	Country of Incorporation	Percentage of ownership interest as at 31 March 2017	Percentage of ownership interest as at 31 March 2016
SPIC Fertilizers and Chemicals Limited (SFCL, Mauritius)	Mauritius	- *	83.54

* The Board of Directors of the subsidiary company, SPIC Fertilizers and Chemicals Limited, Mauritius (SFCL Mauritius) recommended its winding up through written resolutions passed on 16 February 2017, which was also approved by the shareholders of the said subsidiary company. Pursuant to the winding up, SFCL Mauritius ceased to be a subsidiary of the Holding Company with effect from 16 February 2017.

(ii) Interests in Jointly Controlled entities:

The Group's interests in jointly controlled entities are:

Name	Country of Incorporation	Percentage of ownership interest as at 31 March 2017	Percentage of ownership interest as at 31 March 2016
Tamilnadu Petroproducts Limited	India	16.93	16.93
National Aromatics and Petrochemicals Corporation Limited	India	50.00	50.00

(iii) Investments in Associates:

The Group's associates are:

Name	Country of Incorporation	Percentage of Ownership interest as at 31 March 2017	Percentage of Ownership interest as at 31 March 2016
Tuticorin Alkali Chemicals and Fertilizers Limited	India	45.15	45.15
Gold Nest Trading Company Limited	India	32.76	32.76

(iv) Investment in Tuticorin Alkali Chemicals and Fertilizers Limited, an associate company in which the Company holds 45.15 % of its share capital, has not been accounted under "equity method" as required under Accounting Standard (AS) 23, since the carrying amount of investment as on 31 March 2017 is Nil. Accordingly, the goodwill arising on investment and the Company's share in the post-acquisition movements in the net assets of the associate company have not been recognised in the consolidated financial statements.

(v) Investment in Gold Nest Trading Company Limited, an associate company in which the Company holds 32.76 % of its share capital, has not been accounted under "equity method" as required under Accounting Standard (AS) 23, since the carrying amount of investment as on 31 March 2017 is Nil. Accordingly, the goodwill arising on investment and the Company's share in the post-acquisition movements in the net assets of the associate company have not been recognised in the consolidated financial statements.

Note 2.c. Significant Accounting Policies:

(i) Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenditure during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

(ii) Inventories

Inventories are valued at the lower of cost on weighted average basis (on FIFO till 30 September 2016) with respect to the Holding company and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and where applicable, excise duty.

(iii) Cash and cash equivalents (for the purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(iv) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(v) Revenue Recognition and Other Income

- (a) Sales are recognised, net of returns on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.
- (b) Under the New Pricing Scheme for Urea, the Government of India reimburses, in the form of subsidy, to the Fertilizer Industry, the difference between the cost of production and the selling price realized from the farmers, as fixed by the Government from time to time. This has been accounted on the basis of movement of fertilizer from the factory and receipt of the same at the warehouse/dealer point, as per the procedure prescribed by the Government and not on the basis of ultimate sales. The said amount has been further adjusted for input price escalation / de-escalation as estimated by the management based on prescribed norms.
- (c) Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it, is established.

With respect to a jointly controlled entity,

(d) Income from Services:

Revenues from contracts priced on a time and material basis are recognised when services are rendered and related costs are incurred.

(e) Export Incentives:

Export benefits in the nature of focus market schemes are accrued in the year of exports based on the eligibility taking into consideration the prevailing regulations / policies and when there is no uncertainty in receiving the same. Adjustment, if any, to the amounts recognized in accordance with the accounting policy, based on final determination by the authorities, would be dealt with appropriately in the year of final determination and acceptance.

(f) Other Income:

Property lease rentals are accrued as per terms of the agreement with the lessees and are recognized equally on a straight- line basis over the non-cancellable lease period.

(vi) Property, Plant and Equipment and Depreciation

Tangible assets are carried at cost less accumulated depreciation / amortization and impairment losses, if any. The cost of tangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalized and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Tangible assets include Land and Buildings and Plant and Machinery that were revalued as on 31 March 1996, 31 March 1999, 31 March 2000, 1 April 2002, 1 April 2003 and 31 March 2006 and the resultant surplus has been added to the cost of the assets.

Tangible assets retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately in the Balance Sheet.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight line method as per the useful life prescribed in Schedule II of the Companies Act 2013, except in respect of the assets pertaining to Tuticorin manufacturing plant in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support.

Asset	Useful life
Building – Factory	25 - 65 years
Building – Others	45 - 75 years
Plant and Machinery	15 - 49 years
Furniture and Fixtures	12 - 33 years
Vehicles	8 - 26 years
Office Equipments	7 - 38 years
Roads	34 - 44 years
Railway sidings	40 years

With respect to a Jointly controlled entity

Certain assets have been revalued as on 31 March 1996 and the resultant surplus has been added to the cost of the assets. Depreciation amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets of the Company has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support, etc:

General Plant and Machinery used in Epichlorodrin plant	– 10 years
Certain Plant and Machinery used in Linear Alkyl Benzene plant	– 4.5 years
Furniture and Fixture provided to employees depreciated	– 5 years

Depreciation on the tangible fixed assets of the Jointly controlled entity's foreign subsidiary has been provided on straight-line method as per the estimated useful life of such assets, as follows: Computer equipment – 3 years

(vii) Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of intangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Intangible assets are amortised over their estimated useful life on straight line method. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

(viii) Capital Work in Progress

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

(ix) Foreign Currency Transactions

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost. Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

With respect to a jointly controlled entity

Integral Foreign Operations:

Fixed assets are recorded at the rates of exchange prevailing on the date of acquisition of such assets. Monetary assets and liabilities are translated at the exchange rate prevailing on the last day of the accounting period and difference in exchange is recognized as a change in the Statement of Profit and Loss. All the revenue transactions are translated at the average rates.

(x) Investments

Long-term investments are carried individually at cost less provision for diminution other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

(xi) Employee Benefits

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, and compensated absences.

a. Defined Contribution Plan

- i. The Holding Company contributes a sum of the eligible employees salary to a Superannuation Fund administered by trustees and managed by Life Insurance Corporation of India (LIC). The Company has no liability for future Superannuation Fund benefits other than its annual contribution and recognizes such contributions as an expense in the year in which the services are rendered.
- ii. The Holding Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.
- iii. With respect of a jointly controlled entity, contribution to superannuation plan covers whole time directors and staff of the Company and is administered by the Life Insurance Corporation of India. Contributions are made monthly at a predetermined rate to the Trust and debited to the Statement of Profit and Loss on an accrual basis. The superannuation contribution for staff is withdrawn with effect from October 1, 2013.

b. Defined Benefit Plan

The Holding Company makes annual contribution to a Gratuity Fund administered by trustees and managed by LIC. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested and otherwise is amortized on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

With respect to a jointly controlled entity

The contributions are made monthly at a pre-determined rate to the Provident Fund Trust managed by the company and debited to the Statement of Profit and Loss on an accrual basis. The interest rate payable by the Trust to the beneficiaries is as notified by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trust and the notified interest rates and recognizes such shortfall as an expense.

c. Long Term Compensated Absences

The Holding Company treats its liability for long-term compensated absences based on actuarial valuation, as at the Balance Sheet date, determined by an independent actuary using the Projected Unit Credit method.

Actuarial gains and losses are recognized in the Statement of Profit and Loss in the year in which they occur.

While the long-term compensated absences is treated as long-term employee benefit for measurement purpose, it is presented as current provision in the Balance Sheet since, the Company does not have an unconditional right to defer its settlement for 12 months after its reporting date.

With respect to a jointly controlled entity

Liability towards long term compensated absences is accrued based on an actuarial valuation at the balance sheet date based on the projected unit credit method and is not funded.

d. Short Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under :

- (i) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (ii) in case of non-accumulating compensated absences, when the absences occur.

(xii) Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

(xiii) Segment Reporting

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Group. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

(xiv) Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognized as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

(xv) Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

(xvi) Taxation

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realized. However, if there are unabsorbed depreciation and carry forward of losses, and items relating to capital losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realize the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realizability.

Current and deferred tax relating to items directly recognized in reserves are recognized in reserves and not in the Statement of Profit and Loss.

(xvii) Research and Development Expenditure

With respect to a jointly controlled entity, revenue expenditure pertaining to research is charged to the Statement of Profit and Loss.

(xviii) Expenditure pending allocation

With respect to a jointly controlled entity, project and other expenses are included under expenditure pending allocation and the same will be apportioned to fixed assets and capitalized as and when commercial production begins.

(xix) Jointly controlled operations

The accounts of the Group reflect its share of the Assets, Liabilities, Income and Expenditure of the Jointly controlled operations which are accounted on the basis of the audited accounts of the Joint ventures on line-by-line basis with similar items in the Group's accounts to the extent of the participating interest of the Group as per the Joint Venture Agreements.

(xx) Impairment of Assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognised for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

(xxi) Provisions and Contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognized in the financial statements.

(xxii) Insurance claims

With respect to a jointly controlled entity insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

(xxiii) Derivative Contracts

The group enters into derivative contracts in the nature of foreign currency options and forward contracts with an intension to hedge its existing assets and liabilities and firm commitments in foreign currency. Derivative contracts are marked to market and the losses are recognized in the Statement of Profit and Loss. Gains arising on the same are not recognized until realized, on grounds of prudence.

(xxiv) Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

(xxv) Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Note 13 (i): The Holding Company has given an undertaking to the lenders of Tuticorin Alkali Chemicals and Fertilisers Limited for non disposal of its shareholdings in the said Company without their prior approval.

Note 13 (ii): Consequent to the Scheme of Arrangement (Demerger) between SICAL Logistics Limited and SICAGEN India Limited, sanctioned by the Hon'ble High Court of Madras, by its order dated 20 December 2007, the Holding Company was allotted 5,77,681 Equity Shares of the face value of Rs. 10 each in SICAGEN India Limited.

Note 13 (iii): The Holding Company promoted SPIC Petrochemicals Limited (SPIC Petro) in 1994-95 for the manufacture of Polyester Filament Yarn and Purified Terephthalic Acid. The Company had invested Rs.25375.00 lac in the equity share capital, Rs.5.00 lac in 8% redeemable cumulative non convertible preference share capital, Rs.30609.63 lac in Unsecured Zero Interest Bonds redeemable after 12 years from the date of commencement of commercial production. Consequent to the litigation between Chennai Petroleum Corporation Limited (CPCL) and the Company and winding up petitions filed by certain unsecured creditors, the Hon'ble Madras High Court ordered the winding up of the Company on 17 April 2009.

Against the above winding up order, SPIC Petro filed an appeal before the Division Bench of the Hon'ble Madras High Court. The Division Bench of the Hon'ble Madras High Court, dismissed the appeal on 26 April 2010. Meanwhile, ARCIL issued a notice on 19 March 2009, u/s 13(2) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act), directing SPIC Petro to make payment of the dues to ARCIL within sixty days from the date of the notice. As SPIC Petro could not make the payment, ARCIL took over the possession of the assets of SPIC Petro, under SARFAESI Act on 13 May 2010. Consequent to the above, the nominee directors of SPIC Limited have ceased to be directors of SPIC Petro with effect from 14 May 2010. Hence the Company had lost its control over SPIC Petro and full provision had already been made in the earlier years for the carrying value of investments and also for all other dues from this Company.

Note 13 (iv): During the year, the Holding Company had invested in 68,700 numbers of Equity shares of Rs.10/- each, at a premium of Rs. 1/- per share, aggregating to Rs 7.55 lac in OPG Power Generation Private Limited vide the Share Purchase and Shareholders Agreements entered on 22nd December, 2016 for purchase and consumption of 10 MW of power at a concessional tariff as applicable under Group Captive Scheme of the Government of India under Electricity Rules, 2005 to achieve savings in cost of power.

- (ii) Tamilnadu Water Supply And Drainage Board (TWAD) has claimed payments for the period during which the Nitrogenous plants were not in operation, on the basis of 50% allotted quantity of water. The Holding Company alongwith other beneficiaries has been enjoying this facility since inception of the 20 MGD Scheme for the last 41 years. Water Charges were paid to TWAD on the basis of actual receipt by individual industries. The claims including interest made by TWAD for Rs. 2795.28 lac (Previous year Rs. 2543.10 lac) is not acknowledged as debt, as this differential value from April 2009 to March 2017 is not supported by any Government Order and also the other beneficiaries are objecting to such claims of TWAD.

- (iii) The Holding Company has received a demand from VOC Port Trust (VOCPT) towards increase in rental charges from 1 July 2007 onwards. The amount payable as on 31.03.2017 is Rs. 766.77 lac (from 01.07.2007 to 31.03.2017) (Previous year 714.43 lac). The Holding Company obtained an injunction from the Madurai Bench of the Hon'ble Madras High Court against the claim made by the VOCPT and the stay has been granted till 10 June 2015. On 23.07.2015, Madurai Bench of the Hon'ble Madras High Court extended the stay until further orders.
- (iv) Other claims against the Company – Rs.Nil (Previous year Rs. 1300.00 lac).
- (b) Other Bank Guarantees outstanding Rs.31.78 lac (Previous year Rs.31.78 lac).
- (c) Cumulative amount of Preference Dividend and Dividend Tax thereon not provided for the period from 1 April 2001 to 31 March 2017 is Rs. 3188.61 lac (Previous year Rs. 3006.57 lac)
- (d) No provision has been considered necessary by the Management for the following disputed Excise duty, Service tax, Sales Tax, Electricity tax and Employees State Insurance demands which are under various stages of appeal proceedings. The Holding Company has been advised that there are reasonable chances of successful outcome of the appeals and hence no provision is considered necessary for these demands. (Rupees in lac)

<p>Electricity tax</p> <p>The Tamilnadu Government vide Government Order dated 23rd September 1996 exempted specified industries permanently from payment of electricity tax on consumption of self-generated electrical energy under the "Tamilnadu Electricity (Taxation on Consumption) Act, 1962". The above Act was repealed by the "Tamilnadu Tax on Consumption or Sale of Electricity Act, 2003", withdrawing the exemption granted to specified industries. The Company's appeal against the withdrawal of exemption was dismissed by the Madras High Court and the Company filed a "Special Leave Petition" (SLP) before the Supreme Court. On 15th May 2007 the Supreme Court held that the 2003 Act was not valid in respect of industries which were permanently exempted from payment of tax. Consequent to this decision upholding the exemption, the Company, in June 2007 reversed the provision for electricity tax amounting to Rs. 878.77 lac made in books since 2003-04. In November 2007, the Government of Tamilnadu passed "the Tamilnadu Tax on Consumption or Sale of Electricity Amendment Act" amending the 2003 Act to invalidate the exemption granted with retrospective effect. The writ petitions filed before the division bench of the High Court against this amendment were dismissed by its Order dated 15.06.2012.</p> <p>The Company has filed a SLP before the Supreme Court in October 2012 challenging the High Court Order and is hopeful of a favorable decision by Supreme Court especially on invalidation of the exemption granted with retrospective effect. Accordingly, no provision is considered necessary for the electricity tax relating to the period from 2003 to 2008 aggregating to Rs.1054.93 lac. However, provision has been made for this liability for subsequent periods excluding the periods for which specific exemption were granted through notifications.</p>	178.60	178.60
<p>Renewable Energy Purchase Obligation (RPO) - With respect to joint ventures - jointly controlled entity. The Company has disputed the obligation under the "Tamil Nadu Electricity Regulatory Commission (Renewable Energy Purchase Obligation) (Amendment) Regulations, 2011" under Gazette notification TNERC/RPO/19/2 dated 29th July 2011 and filed a Writ Petition in March 2012 before the Honorable Madras High Court. On 26th March 2012, an interim stay was granted by the Honorable Madras High Court on the operation of the Regulations. The Company is hopeful of successful outcome of the writ petition filed before the Honorable Madras High Court and hence no provision is considered necessary in this regard.</p>	141.53	114.08

Income Tax In respect of Assessment Year 2001-02, Income Tax Appellate Tribunal (ITAT) has allowed the appeal filed by the tax department upholding the validity of reopening of the assessment and has directed the Commissioner of Income Tax (Appeals) to decide the matter on merits. The Company has filed further appeal in the Hon'ble High Court of Madras challenging the order of the ITAT. Company has been advised that it has a reasonable good case to get the order of ITAT set aside by the Hon'ble High court. However on a prudent basis, the Company has made a provision towards tax demand of Rs 2464.48 lacs (share of spic - 417.24 lacs) and interest of Rs 2550 lacs (share of spic - 431.72 lacs) as per the assessment order passed by the Assessing Officer u/s/ 143(3) read with section 147. No further interest under section 234 of Income Tax Act, 1961 has been considered in this disclosures, based on the above legal advice. "	186.18	913.14

Carry forward business losses and unabsorbed depreciation restricted to	2045.59	2010.72
Deferred tax asset	2045.59	2010.72

The deferred tax asset arising out of disallowances under section 43B of Income Tax Act 1961 and those relating to other provisions aggregating to Rs. 21981.17 (Previous year Rs. 22822.06 lac) and de-escalation of subsidy amounting to Rs. 7303.25 lac (Previous year Rs. 8598.00 lac) have not been recognized as a matter of prudence. The carry forward business loss / unabsorbed depreciation for the year has given rise to net deferred tax asset of Rs. 17766.96 lac (Previous year Rs. 19495.27 lac). However, in the absence of virtual certainty that sufficient future taxable income will be available, the said deferred tax asset that can be recognised is restricted to the deferred tax liability of Rs. 2045.59 lac (Previous year Rs. 2010.72 lac) as given above. Accordingly, there is no net deferred tax asset or liability as at 31 March 2017 to be accounted for.

Note 36: With respect to Jointly Controlled Entity

A Civil suit has been filed by one of the promoters – CPCL against the Company for Breach of Trust on MoU entered into between Company and CPCL while forming the joint venture company – AROCHEM. In this case AROCHEM have been included as a proforma defendant.

CPCL has also filed another Civil suit against the Company praying for interim mandatory injunction directing SPIC Petrochemicals Limited to return the possession of 168.38 acres of land to AROCHEM. In this case, AROCHEM have been included as a defendant.

Against the judgement by the Single Judge, a Division Bench of the Hon'ble Madras High Court has ordered an injunction not to implement the project by SPIC Petrochemicals Limited.

The holding company filed Special Leave Petitions in the Hon'ble Supreme Court against the above order. On 24th October 1997, the Hon'ble Supreme Court dismissed the Special Leave Petitions holding that it would not interfere with the interim order passed by the Division Bench, granting injunction, as it would prejudice the final hearing of the case. Consequently the project activities of SPIC Petro have been suspended.

On 15th July 1998, the Petroleum Ministry called both CPCL and the Company for discussions to arrive at a compromise on the issue. CPCL and the Company held further deliberations and have since arrived at a compromise. A Memorandum of Settlement (MoS) entered into between CPCL and the Company was sent to the Government of India for their approval. The MoS was cleared by the Ministry of Petroleum and Natural Gas vide their letter, dated 12th March 2001.

Since the promoters are unable to effectuate the earlier MoS approved by the Government of India, discussions are now being held to revise the MoS, subject to necessary approvals.

Note 42:

With respect to the jointly controlled entity:

- (a) During December 2015 and January 2016, the operations of the Company were significantly impacted due to unprecedented rainfall, consequent flooding and power interruptions and LAB and HCD Plants were shut down for 55 days and 44 days respectively. The company filed claims with insurers in respect of which the surveyor has submitted his report and the insurance company is in the process of finalizing the claim. Pending finalisation and approval of the claim by the insurer, the company has recognized the claim to the extent of Rs. 2,500 lakhs being the actual amount received till 31st March 2017 and the same has been disclosed as exceptional item in the statement of profit and loss.
- (b) The performance of Chlor Alkali Division (CAD) tapered considerably due to various extraneous factors since 2012. Though the demand for Caustic soda, the main product of the division has been constant, the profitability was greatly affected consequent to high cost of power and salt, the main raw materials. The management has been taking necessary steps to reduce the high cost of power. Based on the estimated future revenues that would be generated by the CAD and also based on valuation of the Plant by an Independent chartered Engineers dated April 1, 2015, the management has assessed and concluded that the recoverable value, as defined in the Accounting Standard 28, of the plant is higher than the carrying value of Rs 4,348.15 lac (Proportionate share - Rs 736.14 lac (excluding land cost) (previous year Rs. 4752.23 lac (Proportionate share - Rs 804.55 lac (excluding land cost) as on the balance sheet date. Further the operations of the company has considerably improved in the current year with a growth in revenue by 38% and reduction in Net loss percentage on revenue by 35%, based on the cumulative assessment of all the factors as above, no provision for impairment is considered necessary by the company.
