

## SPIC to provide free vaccination to staff

Posted on April 15, 2021 by NT Bureau

Chennai: AM International Group comprising of SPIC, MPL (Manali Petrochemicals), TPL (Tamilnadu Petroproducts) has announced rolling out of a vaccination program in its manufacturing plants and offices.

It said the companies' medical centres will also facilitate anti-body tests. The companies will provide Covid-19 vaccination to all employees and their dependents including contract employees free of cost as per government of India priority guidelines, the group said and added that the program is being rolled out on a voluntary basis.
