Dear Sir,

Sub: Resumption of Operation - Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015.

Ref: Our letters Secy/NSE/D144 dated 18th and 19th December 2023 and 8th January 2024

In continuation to our letters cited, wish to inform that the Company's Plants at Tuticorin, Tamil Nadu have been restarted & production of Urea resumed at 02:35 hrs on 18th March 2024 after completing all the work to replace/repair the damaged equipment's & machinery due to flood.

During this period changes /modifications were also carried out for converting the plant manufacturing process from mixed feed stock based (Naphtha + Natural Gas) to 100% Natural Gas feed stock based operation.

We request you kindly to take on record the disclosure.

Thanking you,

For Southern Petrochemical
Industries Corporation Ltd.
