INSPECTION OF DOCUMENTS:

Documents referred to in the accompanying Notice of the 53rd AGM and the Explanatory Statement shall be available at the Registered Office of the Company for inspection without any fee on all working days except Saturday, during normal business hours (9:00 A.M. to 5:30 P.M. (IST)) from Thursday, 12th September, 2024 to Wednesday, 18th September, 2024.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Monday, 16th September 2024 at 9:00 AM (IST) and ends on Wednesday, 18th September 2024 at 5:00 PM (IST). During this

period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 12th September 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote during the Meeting.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**Annexure to Notice
EXPLANATORY STATEMENT
PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.**

The following Explanatory Statement sets out the material facts on subjects referred in Item Nos.4 to 8 of the Notice convening the 53rd AGM:

ITEM No. 4

The Members may note that pursuant to SEBI's amendment dated 15th July 2023, applicable with effect from 1st April 2024 read with Regulation 17(1D) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the continuation of director serving on the Board of Directors of a listed entity as on 31st March 2024, without the approval of the Members for a period of last five (5) years or more shall be subject to the approval of Members in the first general meeting to be held after March 31, 2024.

Mr. Ashwin C Muthiah (DIN: 00255679) was appointed as Director on 18th December 1994 and designated as Chairman of the Company on 16th November 2011 is classified as Director not liable to retire by rotation. Hence there was no requirement to seek approval of Shareholders. Pursuant to the provisions of Regulation 17(1D) approval of the Shareholders is now sought for Mr. Ashwin C Muthiah to continue as Non-Executive Chairman, not liable to retire by rotation.

Nomination and Remuneration Committee has recommended the proposed action for continuation of Office as Non-Executive Chairman. The Board recommends the Ordinary Resolution in relation to the appointment of Mr. Ashwin C Muthiah as Non-Executive Chairman, for approval by the Members of the Company as set out in Item No. 4 of the Notice.

Memorandum of Interest

Except Mr. Ashwin C Muthiah, Chairman the appointee and his relative Ms. Devaki Ashwin Muthiah, Director of the

Company, none of the Directors / Key Managerial Personnel of the Company or their relatives are interested in this Resolution.

ITEM No. 5

The Board of Directors, at their Meeting held on 8th August 2024 on the recommendation of Nomination and Remuneration Committee had appointed Mr. B S Purshotham (DIN: 08390291) as Additional Director in the category of Independent Director for a period of five years from 8th September 2024 pursuant to applicable provisions of the Companies Act, 2013 (the Act) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR). In the opinion of the Board, pursuant to proviso to Section 152 (5) of the Act, and LODR, Mr. B S Purshotham fulfils the conditions specified in the Act, and Rules made thereunder for appointment as an Independent Director of the Company and is independent of the Management. Consent has been received from Mr. B S Purshotham to hold Office as Independent Director of the Company. Notice in writing from a Member proposing his candidature has been received as required under Section 160 of the Act. Since the appointment has been recommended by Nomination and Remuneration Committee, the requirement of depositing Rs. 1 Lakh under Section 160 of the Act is not applicable. The Board recommends the Special Resolution in relation to the appointment of Mr. B S Purshotham as Independent Director, for approval by the Members of the Company as set out in Item No. 5 of the Notice.

Memorandum of Interest:

Except Mr. B S Purshotham and his Relatives, none of the Directors, Key Managerial Personnel of the Company are interested in this Resolution.

ITEM No. 6

The Board of Directors, at their Meeting held on 8th August 2024 on the recommendation of Nomination and Remuneration Committee had appointed Ms. Latha Ramanathan (DIN: 07099052) as Additional Director in the category of Independent Director for a period of five years from 8th September 2024 pursuant to applicable provisions of the Act, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR). In the opinion of the Board, pursuant to proviso to Section 152 (5) of the Act, and LODR, Ms. Latha Ramanathan fulfils the conditions specified in the Act, and Rules made thereunder for appointment as an Independent Director of the Company and is independent of the Management. Consent has been received from Ms. Latha Ramanathan to hold Office as Independent Director of the Company. Notice in writing from a Member proposing her candidature has been received as required under Section 160 of the Act. Since the appointment has been recommended by Nomination and Remuneration Committee, the requirement of depositing Rs. 1 Lakh under Section 160 of the Act is not applicable. The Board recommends the Special Resolution in relation to the appointment of Ms. Latha Ramanathan as Independent Director, for approval by the Members of the Company as set out in Item No. 6 of the Notice.

Memorandum of Interest:

Except Ms. Latha Ramanathan and her Relatives, none of the Directors, Key Managerial Personnel of the Company are interested in this Resolution.

ITEM No. 7

The Board of Directors, at their Meeting held on 16th May 2024 on the recommendation of the Audit Committee, appointed M/s. B Y & Associates, Chennai, Cost Accountants, (Firm Registration No. 003498) as Cost Auditor for the financial year ending 31st March 2025 at a remuneration of ₹ 1,75,000/- (Rupees One lakh Seventy Five thousand only) plus reimbursement of actual out of pocket expenses and subject to applicable tax and levies to conduct the cost audit pertaining to the cost accounts and records of the Fertilizers Division of the Company. In accordance with the provisions of Section 148 of the Act, and the Rules made thereunder, the remuneration payable to the Cost Auditor shall be ratified by the Members of the Company.

The Board recommends the Ordinary Resolution as set out in Item No. 7 of the Notice for ratification of the remuneration payable to the Cost Auditor for the financial year ending 31st March 2025.

Memorandum of Interest:

None of the Directors, Key Managerial Personnel of the Company and their relatives are interested in this Resolution.

ITEM No. 8

At present the Non-Executive Directors (including independent directors) of SPIC are paid sitting fee of Rs. 1 lakh per meeting of the Board attended by them. Considering the improved performance of the Company and the contribution by the Non-Executive Directors (NEDs) during the Meetings, it is considered necessary to remunerate the NEDs besides the sitting fees of Rs. 1 lakh paid for attending each Board Meeting.

The Board of Directors at their Meeting held on 16th May 2024 based on the recommendation of the Nomination and Remuneration Committee at its meeting held on 10th May 2024 considered and approved the proposal to pay remuneration to Non-Executive Directors of the Company for the FY 2023-24. In respect of remuneration payable to Nominee Directors of Tamil Nadu Industrial Development Corporation (TIDCO), the payment will be made to TIDCO.

The Board recommends the Special Resolution in relation to the payment of remuneration to Non-Executive Directors (including IDs) of the Company for the FY 2023-24 for approval by the Members of the Company as set out in Item No. 8 of the Notice.

Memorandum of Interest:

All the Non-Executive Directors (Including Independent Directors) and their relatives are interested in this resolution. None of the Key Managerial Personnel of the Company and their relatives are interested in this Resolution

ITEM No. 9

Mr.E.Balu was appointed as Whole-time Director of the Company w.e.f 30th July 2023 for a period of 3 years at a remuneration of Rs.65 lakhs. The Nomination and Remuneration Committee (NRC) at their Meeting held on 10th May 2024, considering his performance during the last one year and the responsibilities to be taken up in the next two to three years had made recommendations to the Board of Directors for increase in remuneration to Rs.1.10 crores. The Board of Directors at their Meeting held on 16th May 2024 based on the recommendations of NRC approved the proposal to increase the remuneration of Mr. E Balu Whole-time Director of the Company from 1st June 2024 till the end of his term i.e. 29th July 2026, subject to the approval of the shareholders.

In terms of Article 160 of Articles of Association of the Company and Section 196,197 and other applicable provisions if any of the Act approval of Members is now sought for the increase in remuneration.

Statement pursuant to Clause (IV) of second proviso to Paragraph B of Section II of part II of Schedule V to the Act.

DIVIDEND

Taking into account the financial position of the Company and the norms of your Company's Dividend Distribution Policy, the Directors have recommended a Dividend of Rs. 1.50 (15% on the face value) per equity share of Rs. 10 each fully paid-up, for the year 2023-24 on the paid-up equity share capital.

STATE OF COMPANY'S AFFAIRS

Production

During the financial year 2023-24, the Plants were in operation for about 260 days only and produced neem coated urea of about 5,22,535 MT. Re-assessed Capacity of 6,20,400 MT production could not be achieved due to frequent disturbance in plant machineries and heavy flood because of Michaung cyclone. Plant was operated with mixed feed of Natural gas and Naphtha. Using the opportunity of Flood Maintenance Shutdown 2023 due to Michaung cyclone, Primary reformer catalyst was replaced in Ammonia Plant and the plant was modified to be 100% natural gas based and subsequently it was commissioned during the end of the financial year.

Progress of Natural Gas Supply Pipelines.

Natural Gas (NG) requirement of your Company to produce 2080 MT/Day is about 1.5 MMSCMD out of which 0.9 MMSCMD of Natural gas is supplied from ONGC's Kanjirangudi fields through (Indian Oil Corporation Limited (IOC) pipeline.

For the balance NG requirement, IOC, an authorized organization for laying the Natural gas pipeline from Ennore to Sayalkudi, has completed the pipeline erection and commissioned during the end of September 2023. Subsequently, IOC made an offer to SPIC for the Reliquefied NG (RLNG) supply and accordingly SPIC was getting prepared for the conversion of Natural gas.

PUBLIC DEPOSITS

There are no deposits covered under Chapter V of the Companies Act, 2013 (the Act) during the year 2023-24, details of which are required to be furnished.

DEBENTURES

The Company has raised funds by way of debt issue of 5,000 Unlisted, Rated, Senior, Secured, Redeemable, Non-convertible Debentures of Rs. 1,00,000/- each on private placement basis during September 2023, aggregating Rs. 50 crores to Vivriti Emerging Corporate Bond Fund and Vivriti Alpha Debt Fund - Enhanced.

CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of the Company are prepared in accordance with Ind AS and forms part of the Annual Report.

FINANCIAL STATEMENTS OF SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

Pursuant to Section 129(3) of the Act read with Rule 5 of the Companies (Accounts) Rules, 2014, the Statement containing salient features of the Financial Statements of the Company's Associates and Joint Ventures (in Form AOC-1) is attached to the Financial Statements. Your Company has no Subsidiaries.

TAMILNADU PETROPRODUCTS LIMITED (TPL)

During the financial year 2023-24, revenue from operations was ₹ 1697 Crore as compared to ₹ 2170 Crore in previous year 2022-23. Linear Alkyl Benzene (LAB), the major product of TPL continues to be the key contributor for the revenue. The fluctuation in crude oil price, increased cost of raw materials and price pressure caused by cheaper imports are key factors for lower revenue. Additionally, the contribution of Caustic lye declined substantially,

influenced by higher raw material prices and a decline in domestic prices.

During the year, the plant operations were partially affected for about a month on account of flooding caused by Cyclone Michaung. TPL made claim with insurance company for the loss and received an adhoc payment of ₹ 4.59 Crore and awaiting the final assessment report from insurance company.

The Board of TPL has recommended a dividend of ₹ 1.20 per equity share of ₹ 10 each fully paid-up for the year 2023-24 (15% in the previous year) subject to the approval of Members at the ensuing AGM.

TUTICORIN ALKALI CHEMICALS AND FERTILIZERS LIMITED (TFL)

To reduce the carbon footprint of the product, the company has converted both of the boilers to Biomass. The company has also imported Green soda ash and established world's first Green soda ash production during Nov-2023.

Refurbishment of defective systems and installation of newer ones continued during the year to stabilize and also increase the production. The plant is also replacing the problematic old generation DCS to latest generation DCS in centralized control room. Due to flood in Tuticorin, the plant production was interrupted by late December and has come back again to reach earlier production levels.

Salt was mostly procured locally and used along with Captive and small parcel of Gujarat salt. During the end of the year, the price of ammonia has softened from earlier levels. The selling price of soda ash and ammonium chloride also reduced consequent to raw material prices. The Company has maintained its consistency of profitability in each quarter like previous year after long 20 years of losses. TFL made profit in all the four quarters, registering a significant net profit for the whole year. The company's networth is improving in positive continuously. The company is also working on its expansion plans. It is expected that the company will continue this trend and the carried over losses will get wiped out in the next 2-3 years.

GREENAM ENERGY PRIVATE LIMITED (GREENAM)

The 22.0 MW AC Floating Solar Project has been operating as planned. Due to heavy rain and flooding in December 2023, the plant was generating power as usual but could not be exported for a period of 7 days on account of failure at the evacuation substation.

Drawing power from Greenam enables your Company to meet the Renewable Power obligations as stipulated by the Government as well as substantially save on quantity of water lost by evaporation from the water reservoirs.

During the year, the GREENAM made a profit of Rs. 2.28 crores with the total revenue of Rs. 18.57 crores. Like any

renewable project, the EBITDA is high at Rs. 17.19 crores, around 92.51% of the Revenue. Energy supplied during the year was 37.17 million units

SAFETY, HEALTH AND ENVIRONMENT

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW

The 2023 monsoon season in India concluded with a total rainfall of 94.4% to LPA due to the impact of El Nino. The overall sown area was 2.12% above the normal coverage in the country but was less than that of the previous year. As a result, agricultural food grain production decreased by 6.18% during the year compared to last year. The production of Oilseeds, Sugarcane, cotton & pulses decreased by 11.50%, 8.99%, 3.87% & 1.83% respectively over the previous year. The erratic progression and distribution of the monsoon over India was the major reason for the reduced production of major crops.

The overall availability of Urea during the year was satisfactory despite a reduction in the imports (less by 7% YoY). There was an increase in the supplies Urea from the domestic production which is higher by 10% at 34.41 million tonnes from 28.50 million tonnes during the previous year. The sale of Urea during the year stood at 35.78 million tonnes as against 35.73 million tonnes during the previous year.

Services extended to the Farmers (Consumers).

Your Company continued to provide services to the farmers in improved cultivation practices, soil health management,

integrated nutrient, and pest management practices to enhance the returns from farming.

Your Company undertook the following activities during the year.

1. DBT (Direct Benefit Transfer) in Fertilizers:

Your Company is the Lead Fertilizer Supplier (LFS) for Tamil Nadu and Puducherry. As an LFS, we ensured the active usage of ePOS devices at the fertilizer retail points. In order to increase this compliance, we have conducted regular trainings, capacity building programs etc in association with the Agriculture Department and National Informatic Centre (NIC). There are 12,673 numbers of ePOS devices deployed in the states of Tamil Nadu and Puducherry.

2. Pradhan Mantri Kisan Samridhi Kendra (PMKSK):

The Department of Fertilizers, Government of India has introduced a new concept of Pradhan Mantri Kisan Samridhi Kendra (PMKSK) during the year, with an aim to provide quality Agri inputs & services under one roof as an "one stop shop" for the farming community. As a result, Your Company established 2,473 numbers of PMKSK spread across Tamil Nadu, Puducherry, Kerala, Karnataka, Andhra Pradesh, Telangana & Maharashtra. These Centers provide support facilities for testing soil, irrigation water & agri. inputs like fertilizers & seed apart from educating the farmers to practice soil test based nutrient management, integrated pest management, soil health management, etc. & providing information regarding various Govt. schemes.

3. Mobile Soil Testing Lab Services (MSTL):

Through our Mobile Soil Testing Facility, we have extended the soil testing services to farmers located in the border districts of neighboring states of Karnataka and Andhra Pradesh. Based on soil and irrigation test results, we recommended balanced nutrition to crops while preserving the soil health for sustainability.

4. Trainings to Farmers.

We are offering In-house training programs to progressive farmers in our training Centre located at Tuticorin. The outreach programs were conducted to groups of farmers from different parts of the state.

5. Model Integrated Agriculture Farm.

We are maintaining the Model Integrated Agriculture Farm to showcase to trainees for adoption of Integrated Agriculture Production system to further increase the returns from the farms. Through this we encourage agriculture related activities like animal husbandry, poultry, mushroom cultivation etc.

6. Pannai Cheyathi Malar.

The Bimonthly Tamil Magazine covers relevant

articles related to adoption of improved agricultural practices. The success stories of such adoption are published to popularize fellow farmers. This has become a platform for sharing the success stories as well as a source for new technologies for enhancing the farm income.

PROSPECTS FOR 2024-25:

Rainfall forecast and demand estimation of Urea:

India is likely to witness above average rainfall during the monsoon season this year as per IMD 1' stage long range forecast. 106% rainfall in comparison to the LPA is expected by the country's weather office this year. Considering this above average forecast, the country will be working towards a targeted food grain production at 332 million tonnes for the year compared to expected production of 309 million tones during 2023-24.

Demand is expected to be higher for urea during 2024-25 which means, the domestic urea production should be around 33 MT to reduce India's dependence on imports. The promising fact is that the demand can be met by enhanced domestic production of urea through both greenfield & brownfield projects under progress & by replacing the use of 20-25 lakh tonne of conventional urea with Nano liquid urea for top dressing.

Nano Urea:

Nano Urea, a liquid formulation containing 4 ~ 14 % Nitrogen has been introduced by Indian Farmers Fertiliser Cooperative Ltd (IFFCO) during 2021. This is recommended as a substitute product for prilled and granulated Urea. The acceptance of this Nano Urea by the farmer is yet to gain momentum due to the instability of Nutrient content, non-compatibility with other agro chemicals and higher cost of application. As Urea forms 82% of the total nitrogenous fertilisers consumed in India, Government is encouraging fertilizer companies to formulate strategies to replace Urea with Nano-Urea. National Fertilizers Limited (NFL) and Rashtriya Chemicals and Fertilizers Limited (RCF), under administrative control of Department of Fertilizers, has signed Non-Disclosure Agreement (NDA) & Memorandum of Understanding (MoU) with IFFCO to transfer the technology of Nano Urea from IFFCO.

Your Company has entered a research tie up with Tamil Nadu Agriculture University for a detailed study to know the efficacy and phytotoxicity of Nano Urea in comparison to

SPIC Urea (Prilled Urea) in Paddy crop. This study will also reveal the economic benefit of using Nano Urea over SPIC Urea in Paddy cultivation. Once the field trails are completed, more information on the efficacy of the product will be available to devise suitable strategies of employing Nano Technology in Nutrient Delivery Systems for agriculture.

Tissue Culture Business:

Your Company supplies highest quality of Tissue Culture Banana plants to the farmers of Tamil Nadu, Andhra Pradesh and Karnataka. Your Company is offering after sales services to the farmers by providing technical assistance on Banana cultivation. The unit is accredited by the Department of Biotechnology with NCS-TCP certification.

Having got the protocols customized for the production of high value crops like ornamentals, orchids etc., your Company will enter into this ornamental plants segment in the near future.

In order to increase the profitability by optimizing the cost, we are undertaking laboratory modernization activities with induction of higher efficiency - low energy consuming machinery, redesigning the process flow and adoption of new systems to enhance sterility standards in the production laboratories.

It is expected to be completed by August, 2024 to commence the commercial production of high value crop plants by January 2025.

FINANCIAL RATIOS

The significant changes in the financial ratios of the Company, which are 25% or more as compared to the previous year are summarized below:

Ratios	2023-24	2022-23	Reasons for change
Net Profit Ratio (%)	4.55%	10.09%	Due to disruption of operations due to Flood, Profit has decreased in current year.
Debt Service Coverage Ratio (times)	0.89	2.46	Due to decrease in operating profit due to Flood.
Debtors Turnover Ratio (days)	12	4	Due to disruption of business on account of flood, there were fluctuations in the sales.

CHALLENGES

The challenge of preventing the sale of Urea outside ePOS is being controlled by the regular monitoring of stocks available at all levels of the distribution channel like whole sellers and retailers through FMS System. Since the monthly movement order for supply obtained from the State Agril Department is based the requirement net of stock available at retail counters, we could prevent over supply of Urea to meet the Agril consumption.

The introduction and promotion of Nano Urea by IFFCO is getting momentum in the market. Since this product is not suitable for soil application and recommended for foliar application, the consumption of Urea (granular and prilled) is increasing due to larger availability as well as increase in area of cultivation of crops. It is expected that Nano Urea will take a small share of urea used for top dressing in upland paddy and summer pulses where water shortage is felt. We are also exploring ways to get into this new segment of Nano Urea by bundling aerial spray support by way of Drones; as this will increase the acceptability of Nano Urea among the dry land farmers.

ACKNOWLEDGEMENT

Your Company is grateful for the co-operation and continued support extended by the Department of Fertilizers, Ministry of Chemicals and Fertilizers, Ministry of Petroleum and Natural Gas, Ministry of Agriculture, Ministry of Shipping, Ministry of Corporate Affairs and other Departments of the Central Government, the Government of Tamil Nadu, Governments of other States, Tamil Nadu Industrial Development Corporation Limited, Tamil Nadu Generation and Distribution Corporation Ltd., Indian Oil Corporation Limited, Oil and Natural Gas Corporation Limited, Financial Institutions and Banks. SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
Southern Petrochemical Industries Corporation Limited,
"Spic House", 88 Mount Road, Guindy, Chennai – 600 032

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Southern Petrochemical Industries Corporation Limited bearing CIN L11101TN1969PLC005778 (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the Company has, during the audit period covering the financial year ended on 31.03.2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31.03.2024, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;

To
The Members,
Southern Petrochemical Industries Corporation Limited,
"Spic House", 88 Mount Road, Guindy, Chennai – 600 032

My report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate, to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis as well as on the Certificate provided by the Key Managerial Personnel to the Board of Directors regarding compliance with the applicable laws to the Company.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.
7. I further add due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Standards

We the Statutory Auditors of Southern Petrochemical Industries Corporation Limited (the 'Company') have examined the compliance of conditions of Corporate Governance by the Company for the year ended March 31, 2024 as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D, E of schedule V of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations 2015 ('the Regulations') and as amended from time to time.

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of relevant records and information and according to the explanations given to us and the representation provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D, E of schedule V of the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations 2015, during the year ended March 31, 2024, as applicable.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Yes

Every Director shall at the first meeting of the Board in which he participates as a Director and thereafter at the first meeting of the Board in every financial year or whenever there is any change in the disclosures already made, then at the first Board meeting held after such change, disclose his concern or interest in any company or companies or bodies corporate, firms, or other association of individuals which shall include the shareholding in form MBP-1.

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	Current Financial Year	Previous Financial Year	Details of improvements in environmental and social impacts
R&D	0%	0%	NIL
Capex	0%	0%	NIL

The improvements made in the Ammonia plant includes: -

- Switching fuel from Naphtha to natural gas eliminated vaporizers and it led to 19000 Tons of equivalent CO2 reduction.
- Treated effluent is reused in M/s Greenstar Fertilizers Limited and for gardening purpose extensively.
- ASGU economiser coil renewal resulted in energy consumption and rise in thermal efficiency.
- Establishment of New Liquid Nitrogen system led to stoppage of inert gas plant using cracked ammonia which results in Energy savings of about 315 kWh

Benefits of Natural Gas conversion

- Switched to 100% natural gas from naphtha and fuel oil as fuel and feed. Natural gas as a cleaner fuel led to SO₂ & NO₂ emission reduction.

Sustainable initiatives of SPIC

- About 30% of the total power requirement is met through Solar power generated from floating solar power plant in the water storage reservoirs
- 220 Conventional Bulbs were replaced with LED bulbs across factory premises at the cost of Rs. 1.23 Lakhs as a part of energy reduction.
- Awareness created among school children and employees requesting to adopt “Mission LIFE” action points in their day-to-day life.

Green belt development in SPIC Premises

- During the year 2023-24 number of trees 1075 were planted in the event of World water day, World environment day and World Earth day
- Plastic waste management
- As per the extended producer responsibility under plastic waste management rules SPIC/Greenstar Fertilizers limited has registered with Central Pollution control board and collected about 1920 MT for the year 2023-24.

Environmental Expenses for the year 2023-24

Capex

- About 3.57 lakhs expenses incurred towards AAQMs BAM analysers spares in Continuous Ambient air quality monitoring system connected to TNPCB & CPCB
- Electromagnetic flow meter was installed at Sea disposal line in IETP at a cost of Rs. 1.6 lakhs.
- Recurring cost
- Rs. 326.87 Lakhs expenses incurred towards operation and maintenance of Effluent treatment plant and meeting statutory expenses.
- Rs.3 lakhs expenses incurred for Green belt development for the year 2023-24.

CSR expenses 2023-24

- We have contributed Rs. 27500 towards the World record submission for a 3 year old child Diyashika in Muthiahpuram.
- We have Donated Food for Kabbadi competition in Soosai nagar and Iyyan Kovil Street at a cost of Rs.65000.
- We have Donated Food for Kabbadi competition BAR association, thoothukudi at a cost of Rs.50000.
- We have provided drinking water to Soosai nagar at a cost of Rs. 648000 .
- We have provided drinking water to Thangammalpuram at a cost of Rs. 648000.
- We have donated 10LPH water filter to EB ASS.
- Desilting of Paaimana Vaayikaal – Athimarapatti was carried out at a cost of Rs. 531000.
- Desilting of Mullakadu Water canal was carried out at a cost of Rs.4250
- We have distributed notebooks to 500 school children in Surrounding Villages at a cost of Rs.147500.
- We have distributed Uniforms to School children at a cost of Rs.40000.
- Rs.8000 was donated as School Fees to under privileged students.
- We have donated food on Ramzan for Muslim community at cost of Rs.17466.
- We have Donated Rs.100000 towards Born to Win Trans awards ceremony 2023.
- School Buildings were constructed at Veeranayakkan Thattu.

2. a. Does the entity have procedures in place for sustainable sourcing? Yes
 b. If yes, what percentage of inputs were sourced sustainably? 90% (Approx)

The Company follows procedures for registration of Vendors. The Company follows Continuous Assessment of the supplier for both material and service providers. For the spares and consumables, the Company has established vendors who supply with standard and proven mechanism.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The Company has been stringently following the management of hazardous waste. The spent catalysts have been properly disposed to Re-sustainability Industrial Waste management system and M/s. Rajkob industries. Used oils are disposed to Authorized recycler approved by Tamilnadu Pollution Control Board. Process condensates are recycled back to the after treatment.

As a Brand Owner, the company recycles Pre and Post Consumer Plastic Waste generated during the business process. As per the guidelines stipulated by Central Pollution Control Board (CPCB) the Company has engaged a Plastic Waste Processor authorized by CPCB to carry out the recycling process.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Yes. We have been registered as "Brand owner" as per Plastic waste management rule for fulfilling the EPR obligation with Regn.No.BO-29-000-04-AAACS4668K-22 dated 06.05.2022 from central pollution control Board, with collection target of 1920MT for the year 2023-24. We have engaged CPCB authorised recycler for fulfilment of our obligation and is being complied.

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases – The Company has a policy titled “Prevention of Sexual Harassment (PoSH) policy”.
9. Do human rights requirements form part of your business agreements and contracts? - No
10. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	100% by entity
Forced/involuntary labour	100% by entity
Sexual harassment	100% by entity
Discrimination at workplace	100% by entity
Wages	100% by entity
Others – please specify	100% by entity

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 9 above – No corrective action was required to be taken.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/ complaints – Nil.
2. Details of the scope and coverage of any Human rights due-diligence conducted – No.
3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016? – No.
4. Details on assessment of value chain partners:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Sexual Harassment	100%
Discrimination at workplace	100%
Child Labour	100%
Forced Labour/Involuntary Labour	100%
Wages	100%
Others – please specify	-

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above – Corrective actions are undertaken if required.

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Provide break-up of the total energy consumed (in Joules or multiples) from renewable and non-renewable sources, in the following format:

Parameter	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
From renewable sources		
Total electricity consumption (A)		-
Total fuel consumption (B)		-
Energy consumption through other sources (C)		-
Total energy consumed from renewable sources (A+B+C)		-
From non-renewable sources		
Total electricity consumption (D)	1050000	1398000

Energy intensity per rupee of turnover (Total energy consumed / Revenue from operations)	4455.05	6013.46
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed / Revenue from operations adjusted for PPP)	90081.18	121592.19
Energy intensity in terms of physical output	16.57	22.41
Energy intensity (optional) – the relevant metric may be selected by the entity	GJ/ Crores	GJ/ Crores

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency - No

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) – No.

If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any – Not Applicable.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	2790800	3869714

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	NA	NA
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	NA	NA
Total Scope 1 and Scope 2 emissions per rupee of turnover	-	NA	NA
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)		NA	NA
(Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)		NA	NA
Total Scope 1 and Scope 2 emission intensity in terms of physical output		NA	NA
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity		NA	NA

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency - No

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.
Yes, we have revamped the plant for Lower energy Process with 100% natural Gas as Raw material. With Lower energy Process, SPIC has stopped two numbers of Boilers which were operated with Furnace Oil, fuel for reformer & fire heaters switched to Natural Gas.

Procedure for Hazardous waste and E waste

- Hazardous Waste from the plant to be sent to TNPCB authorized recyclers or Industrial waste management authority – disposal site through stores and records to be maintained as per the procedure
- E-Waste from the plant to be sent to authorized recyclers through stores and records to be maintained as per the procedure.
- Battery waste shall be sent to the authorized dealers through stores and records to be maintained.
- Plastic waste shall be sent to authorized recyclers and records to be maintained.
- Bio medical waste shall be sent to the authorized agency for disposal as per the procedure.

Procedure for management and Handling of other wastes

- Canteen wastes to be sent to Bio-gasifier in training centre or for bio composting in nursery.
- Metal Scraps to be returned to stores through Scrap Return Note and record to be maintained.
- Waste which shall be disposed as scrap for sale has to be sent only to stores.
- Waste or used chemicals from laboratory has to be sent to IETP plant for disposal after neutralization.
- Empty chemical bottles and other glass items used in laboratory shall not be disposed to bins and has to be sent to stores in safe manner.
- Wastes other than the above are only to be disposed in the dust bins in the respective plants. Stores department will identify the authorized party/scrap vendor for safe disposal of the other waste.

9. Provide details related to waste management by the entity, in the following format:

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

- SPIC's focus is on achieving sustainability by improving the production processes through introduction of new technologies for cleaner environment.
- We have detailed standard operating procedure for management and Handling of waste as per the requirement of ISO:14001:2015 standards as described below:

Procedure for Hazardous waste and E waste

- Hazardous Waste from the plant to be sent to TNPCB authorized recyclers or Industrial waste management authority – disposal site through stores and records to be maintained as per the procedure
- E-Waste from the plant to be sent to authorized recyclers through stores and records to be maintained as per the procedure.
- Battery waste shall be sent to the authorized dealers through stores and records to be maintained.
- Plastic waste shall be sent to authorized recyclers and records to be maintained.
- Bio medical waste shall be sent to the authorized agency for disposal as per the procedure.

Procedure for management and Handling of other wastes

- Canteen wastes to be sent to Bio-gasifier in training centre or for bio composting in nursery.
- Metal Scraps to be returned to stores through Scrap Return Note and record to be maintained.
- Waste which shall be disposed as scrap for sale has to be sent only to stores.
- Waste or used chemicals from laboratory has to be sent to IETP plant for disposal after neutralization.
- Empty chemical bottles and other glass items used in laboratory shall not be disposed to bins and has to be sent to stores in safe manner.
- Wastes other than the above are only to be disposed in the dust bins in the respective plants. Stores department will identify the authorized party/scrap vendor for safe disposal of the other waste

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/ offices	Type of operations	Whether the conditions of environmental approval /clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
Not Applicable			

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable					

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, and Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format: Yes

S. No.	Specify the law/ regulation/ guidelines which was not complied with	Provide details of the non- compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken if any
Not Applicable				

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):
For each facility / plant located in areas of water stress, provide the following information:
- (i) Name of the area - Urea Production
 - (ii) Nature of operations - Cooling Tower Operations – Annual Consumption of water
 - (iii) Water withdrawal, consumption and discharge in the following format:

Parameter	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	2790800	3339982

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency - **No**

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency - **No**

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	193345	186100
Total Scope 3 emissions per rupee of turnover		0.00001	0.00001
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity		-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency - **No**

3. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities – Not Applicable.
4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge/ waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1	Conversion of feedstock from Naphtha to Natural gas in Ammonia Plant	Ammonia plant was designed for Naphtha as feedstock which has higher Hydrocarbon. It was replaced with Natural gas along with energy reduction Modifications in the plant and presently running with Natural Gas. The incorporated Modification has brought down the energy consumption of Urea.	Reduction in Energy of Urea Produced

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.
SPIC has a detailed Business continuity and Disaster management plan which comes under the Risk Management Committee. The Risk Management plan specified the Risk, Mitigation, Emergency preparedness and the Long term measures to mitigate the risks. The emergency across the site and the related risk assessment has been done and regularly reviewed. Major risks include Financial, Pandemics, Calamities, Draught, Socio- Environmental issues, Resource unavailability etc. The Mock Drills to face the Emergency situations are carried out periodically and validated.
6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard-
Product is packed in HDPE bags and stored as per the guidelines laid under FCO for storage of fertilizers.
7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts – 50%

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations – Six
- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	South India Chamber of Commerce and Industry, Chennai	State
2	Indian Chamber of Commerce & Industry, Tuticorin	State
3	All India Chamber of Commerce & Industry, Tuticorin	State
4	Tuticorin Chamber of Commerce & Industry	State
5	Tamilnadu Chamber of Commerce & Industry	State
6	Fertiliser Association of India, New Delhi	National

2. Provide details of corrective action taken or underway on any issues related to anti- competitive conduct by the entity, based on adverse orders from regulatory authorities.

Name of authority	Brief of the case	Corrective action taken
SPIC is into a highly regulated business. In case of any deviations, corrective actions are taken immediately.		

Leadership Indicators

1. Details of public policy positions advocated by the entity:

S. No.	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/No)	Frequency of Review by Board (Annually/ Half yearly/ Quarterly/ Others – please specify)	Web Link, if available

Note 1: The Company actively participate in the activities of the Associations in which we are Members. These associations work with the governments, both central, state and suggest policy improvements, help to remove of impediments to conduct of business, assist during budget exercise, render assistance to society wherever required, etc.

PRINCIPLE 8: Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes /No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S.No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
Not Applicable						

3. Describe the mechanisms to receive and redress grievances of the community –
Through email: spiccorp@spic.co.in ; Customer care Numbers and personal visit and Inspection by Field Staff of the particular locality.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Directly sourced from MSMEs/ small producers	9.32%	9.22%
Sourced directly from within the district and neighbouring districts (Tuticorin + Tirunelveli)	8.92%	8.89%

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost Location

	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Rural	13.96	12.69
Semi-urban	-	-
Urban	1.69	1.50
Metropolitan	0.47	0.48

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
Not Applicable	

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No.	State	Aspirational District	Amount spent (In INR)
1	Tamilnadu	Tuticorin	Rs. 25,65,000/-

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? No
(b) From which marginalized /vulnerable groups do you procure? Not Applicable
(c) What percentage of total procurement (by value) does it constitute? Not Applicable
4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

S. No.	Intellectual Property based on traditional knowledge	Owned/ Acquired (Yes/No)	Benefit shared (Yes / No)	Basis of calculating benefit share
Not Applicable				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved:

Name of authority	Brief of the Case	Corrective action taken
Not Applicable		

6. Details of beneficiaries of CSR Projects:

S. No.	CSR Project	No. of persons benefitted from CSR Projects	% of beneficiaries from vulnerable and marginalized groups
1	Making Available of Safe Drinking Water	1000	80%
2	Educational support and contribution	100	75%
3	Donation for the underprivileged communities	800	90%

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

- Describe the mechanisms in place to receive and respond to consumer complaints and feedback –
Through email: spiccorp@spic.co.in; Customer care Number and personal visit and Inspection by Field Staff of the particular locality.
- Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	Nil
Safe and responsible usage	Nil
Recycling and/or safe disposal	Nil

Note: In the context of Urea, this has no relevance. As a Brand Owner, we take the responsibility to recycle the packing material, in line with the Government's directives.

- Number of consumer complaints in respect of the following:

	FY 2023-24 (Current Financial Year)		Remarks	FY 2022-23 (Previous Financial Year)		Remarks
	Received during the year	Pending resolution at end of year		Received during the year	Pending resolution at end of year

INDEPENDENT AUDITOR'S REPORT

To the Members of Southern Petrochemical Industries Corporation Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Southern Petrochemical Industries Corporation Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Recognition, measurement and valuation of Subsidy income and related receivables

Refer to Note 2 (iv) 'Revenue Recognition' and Note 23 'Revenue from operations' to the standalone financial statements. The Company has recognised subsidy income of ₹. 1,933.43 Crores for the year ended March 31, 2024.

The Company recognises concession (subsidy) income receivable in accordance with the New Pricing Scheme for Urea from the Department of Fertilizers, Government of India.

Recognition of subsidy income and assessment of its recoverability is subject to exercise of significant judgement and interpretation of relevant notifications by the management, which includes satisfaction of conditions specified in notifications, evaluation of recoverability of receivables etc., and has accordingly been considered as a key audit matter.

Our audit procedures included, but were not limited to the following:

- We understood the subsidy income recognition process, evaluated the design and implementation, and operating effectiveness of internal controls relating to subsidy income and related receivables.
- We read and understood their interpretations of the relevant circulars and notifications issued by GOI from time to time with regard to the subsidy policies that impact subsidy income and related receivables.
- We reconciled the sales quantity considered for subsidy income with the actual sales made by the Company and customer acknowledgements as per the iFMS portal of the DOF.
- We reviewed the quantities and rates considered for the purpose of recognising freight subsidy.

- We evaluated Management’s assessment and reviewed underlying calculations regarding compliance with relevant conditions as specified in the notifications and policies.
- We analysed and discussed the status of outstanding subsidy receivables and its realisability with the Management and assessed the reasonability of provisions made towards outstanding subsidy receivables
- We traced credits to bank statements for the receipts during the year.
- We assessed the presentation of subsidy income along with related receivables and related disclosures in the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Directors’ report and Management discussion & analysis etc but does not include the standalone financial statements and our auditor’s report thereon. The Directors’ report and Management discussion & analysis is expected to be made available to us after the date of this auditor’s report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors’ report and Management discussion & analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 ‘The Auditor’s responsibilities Relating to Other Information’.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company’s Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in “Annexure A” a detailed description of Auditor’s responsibilities for Audit of the Standalone Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g).
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
 - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 34 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - (1) The Management has represented that, to the best of its knowledge and belief, as disclosed in the Note 45 (a) to the Standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (2) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the Note 45 (b) to the Standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (3) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the

Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (1) and (2) above, contain any material mis-statement.

- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared amount of ₹ 30.55 Crores is in accordance with section 123 of the Act to the extent it applies to declaration of dividend. (Refer Note 50 to the Standalone financial statements)

- vi. (1) Based on our examination, except for the instances mentioned below, the Company has used two accounting software's for maintaining its books of account during the year ended March 31, 2024, which have a feature of recording the audit trail (edit log) facility that was enabled and has operated for relevant transactions recorded in the software throughout the year:
- i. In the case of one accounting software used for maintaining its books of accounts, the audit trail was enabled at the application level throughout the year except for certain relevant transactions and was enabled at the database level with effect from February 5, 2024, to log any direct data changes. Accordingly, the audit trail facility which has been enabled, as explained above, has operated throughout the period for which it has been enabled for relevant transactions in the software. Further, during the course of our examination, we did not come across any instance of the audit trail being tampered with, post enablement of the audit trail facility.
- ii. In the case of another accounting software used for the purposes of sales order creation and invoice generation, it has a feature of recording audit trail (edit log facility) only at the data base level but not at the application level. Further, the audit trail feature has not been enabled throughout the year at the data base level.
- (2) Based on our examination, the Company has used an accounting software which is operated and maintained by third party software service provider for processing its payroll transactions for the year ended March 31, 2024. In the absence of independent auditors' report from the service provider, we are unable to comment whether this software has a feature of recording audit trail (edit log) facility, nor are we able to comment on whether the audit trail feature was enabled in the said software and operated throughout the year for all relevant transactions recorded in this software.
3. In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

THE STANDALONE FINANCIAL STATEMENTS OF
SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED**

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2024 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON
THE STANDALONE FINANCIAL STATEMENTS OF SOUTHERN PETROCHEMICAL INDUSTRIES
CORPORATION LIMITED FOR THE YEAR ENDED MARCH 31,2024**

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a) A The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment, investment property and relevant details of right-of-use assets.
- B The Company has maintained proper records showing full particulars of intangible assets.
- (b) Property, Plant and Equipment, investment property and right of use assets were physically verified by the management according to a phased programme designed to cover all items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of Property, plant and equipment, investment property and right of use assets have been physically verified by Management during the year. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the title deeds of immovable properties (other than properties where the Company is the lessee, and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements are held in the name of the Company. The title deeds of immovable properties aggregating to ₹ 4.74 Crores as at March 31, 2024, are pledged with the banks and are not available/original copies are not available with the Company. The same has been independently confirmed by the bank to us and verified by us.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage and procedure of such verification is reasonable and appropriate, having regard to the size of the Company and the nature of its operations. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year the Company has been sanctioned working capital limits in excess of ₹. 5 crores in aggregate from Banks and/ financial institutions on the basis of security of current assets. Based on the records examined by us in the normal course of audit of the standalone financial statements, quarterly returns / statements filed with such Banks/ financial institutions are not in agreement with the books of accounts of the Company. Details of the same are as below:

Quarter Ended	Amount as per books of accounts (₹ in crores)	Amount as per quarterly return/ statement (₹ In Crores)	Discrepancy (₹ In crores)
September 2023	399.47	405.23	(5.76)

Also refer Note 17(F) to the standalone financial statements.

- iii. According to the information explanation provided to us, the Company has not made any investments in, or provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions stated under clause 3(iii) of the Order are not applicable to the Company.
- iv. According to the information and explanations given to us, the provisions of Section 185 of 'the Act', is not applicable to the Company. The Company has complied with the provisions of Section 186 of 'the Act', in respect of investments made and security given in connection with the loan taken by an Associate Company. The Company has neither granted any loans nor given any guarantees and hence provisions of Section 186 of 'the Act' with respect to loans and guarantees is not applicable to the Company.

- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor any amounts which are deemed to be deposits, within the meaning of Sections 73, 74, 75 and 76 of the Companies Act, 2013 and the rules framed there under. Accordingly, the provisions stated under clause 3(iv) of the Order is not applicable to the Company. Also, there are no amounts outstanding as on March 31, 2024, which are in the nature of deposits.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Companies Act, 2013 in respect of its products/ services. We have broadly reviewed the same, and are of the opinion that, *prima facie*, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues have generally been regularly deposited by the Company with appropriate authorities during the year, though there has been a slight delay in a few cases. There are no undisputed amounts payable in respect of Goods and Services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, cess, and other statutory dues in arrears as at March 31, 2024, outstanding for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us and examination of records of the Company, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024, on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount Demanded (₹ in crores)	Amount Paid (₹ In crores)	Period to which the amount relates	Forum where dispute is pending
The Central Excise Act 1944	Excise Duty	0.98	0.08	2001-02 to 2004-05 & 2011-12 to 2013-14 to June 2017	Customs, Excise and Service tax appellate Tribunal
The Finance Act, 1994	Service Tax	2.36	0.18	2015-16 to June 2017	Customs, Excise and Service tax appellate Tribunal
The Sales Tax Act under various state enactments	Local Sales Tax	8.35	0.73	2003-04 to 2011-12	Additional/ Deputy Commissioner (Appeals)/ Sales Tax Appellate Tribunal
Goods & Service Tax Act, 2017	GST	9.61	-	April 2017 to March 2018	Madurai Bench of Madras High Court

- viii. According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment of the Company. Accordingly, the provision stated under clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) In our opinion and according to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, money raised by way of term loans during the year have been applied for the purposes for which they were raised, other than term loans amounting to ₹. 103.05 crores which remains unutilised as at March 31, 2024. Refer Note 17 (B) to the standalone financial statements.

- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information explanation given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from an any entity or person on account of or to meet the obligations of its associates or joint ventures.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its joint ventures or associate companies. Accordingly, reporting under Clause 3(ix)(f) of the order is not applicable to the Company.
- x. (a) In our opinion and according to the information explanation given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions stated under clause 3(x)(a) of the Order are not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully, partly, or optionally convertible debentures during the year. Accordingly, the provisions stated under clause 3(x)(b) of the Order are not applicable to the Company.
- xi. (a) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we report that no material fraud by the Company or on the Company has been noticed or reported during the year in the course of our audit.
- (b) Based on our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the provisions stated under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till the date of our audit report, for the period under audit.
- xv. According to the information and explanations given to us, in our opinion, during the year, the Company has not entered into any non-cash transactions with directors or persons connected with its directors and accordingly, the reporting on compliance with the provisions of Section 192 of the Companies Act, 2013 in clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 (2 of 1934) and accordingly, the provisions stated under clause 3(xvi)(a) of the Order are not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities during the year and accordingly, the provisions stated under clause 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank

of India. Accordingly, the provisions stated under clause 3 (xvi)(c) of the Order are not applicable to the Company.

- (d) The Group does not have any CIC as part of its group. Hence the provisions stated in paragraph 3 (xvi) (d) of the order are not applicable to the Company.
- xvii. Based on the overall review of standalone financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, the provisions stated under clause 3(xvii) of the Order are not applicable to the Company.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the provisions stated under clause 3(xviii) of the Order are not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 51 to the standalone financial statements), ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Southern Petrochemical Industries Corporation Limited on the Financial Statements for the year ended March 31, 2024]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Southern Petrochemical Industries Corporation Limited ("the Company") as of March 31, 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2024, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls With reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls With reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

Note 1 GENERAL INFORMATION

Southern Petrochemical Industries Corporation Limited ('the Company'/'SPIC'), having its registered office at Chennai is a Public Limited Company, incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange of India. The Company is manufacturing and selling Urea, a Nitrogenous chemical fertilizer and has its manufacturing facility at Tuticorin.

Note 2 MATERIAL ACCOUNTING POLICIES

i) Basis of preparation of financial statements

a. Statement of Compliance with IND AS

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except for the below material item that have been measured at fair value as required by relevant Ind AS:-

Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments).

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of sales and the time between the sale and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and noncurrent classification of assets and liabilities.

c. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected. Refer Note 3 for detailed discussion on estimates and judgments.

ii) Property, Plant and Equipment (PPE)

Property, plant and equipment are stated at cost less depreciation and impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Items of stores and spares that meet the definition of PPE are capitalized at cost. Otherwise, such items are classified as inventories.

Depreciation methods, estimated useful lives.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible assets is recognized so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight line method. The company has followed

the useful life as prescribed in Schedule II of the Companies Act 2013, except in respect of the assets pertaining to Tuticorin manufacturing plant in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support.

Asset	Useful Life
Building – Factory	25-65 years
Building – Others	45-75 years
Plant and Machinery	15-49 years
Furniture and Fixtures	12-33 years
Vehicles	8-26 years
Office Equipments	7-38 years
Roads	34-44 years
Railway sidings	40 years

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

iii) Fair value measurements

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Company.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The Company's management determines the policies and procedures for fair value measurement such as derivative instrument.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

iv) Revenue Recognition

The Company earns revenue primarily from sale of Urea.

Revenue is recognized upon transfer of control of promised products to customers in an amount that reflects the consideration which the company expects to receive in exchange for those products.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and incentives, if any, as per the contract with the customer. Revenue also excludes taxes collected from customers.

Under the New Pricing Scheme for Urea, the Government of India reimburses, in the form of subsidy, to the Fertilizer Industry based on the Retention Price computed on the lower of Naphtha or Regasified Liquefied Natural Gas (RLNG) price. This has been accounted on the basis of the rates notified from time to time by the Government of India on the quantity of Urea sold by the company for the period for which notification has been issued.

The revenue has been further adjusted for input price escalation / de-escalation as estimated by the Management in accordance with the known policy parameters in this regard.

v) Taxes

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

a. Current Income tax

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b. Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The carrying amount of the deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognize MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as MAT Credit Entitlement" and grouped under Deferred Tax. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

vi) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials, packaging materials and stores and spare parts are valued at lower of cost and net realizable value. Cost includes purchase price, (excluding those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

vii) Impairment of non-financial assets

The Company assesses at each year end whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the asset's recoverable amount and the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

viii) Provisions and Contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

ix) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Assets

Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in finance income using the Effective Interest Rate method (EIR).

Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and

foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Profit or Loss (FVTPL): Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments: All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument- by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

The company has equity instruments in 4 (four) entities which are not held for trading. The company has elected the FVTOCI irrevocable option for these investments. Fair value is determined in the manner described in Note 6.

Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVTOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payment is more than 30 days past due.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Derecognition of financial assets

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all

risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

c. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

x) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

xi) Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest crores as per requirement of Schedule III of the Act, unless otherwise stated.

xii) Subsidy from Government

Subsidies from the government are recognized when there is reasonable assurance that the subsidy will be received and all attaching conditions will be complied with. When the subsidy relates to an expenses item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Where the subsidy relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

xiii) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e. the “functional currency”). The financial statements are presented in Indian Rupee (₹), the national currency of India, which is the functional currency of the Company.

Recent Pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Note 3 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a. Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company neither have any taxable temporary difference nor any tax planning opportunities available that could partly support the recognition of these losses as deferred tax assets. On this basis, the Company has determined that it cannot recognize deferred tax assets on the tax losses carried forward except for the unabsorbed depreciation.

b. Useful lives of Property, Plant and Equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

c. Revenue Recognition

The Company provides customer incentives, such as rebates, based on quantity purchased, timing of collections etc. Various estimates are made to recognise the impact of rebates and other incentives on revenue. These estimates are made based on historical and forecasted data, contractual terms and current conditions.

d. Subsidy Income

Subsidy income is recognised on the basis of the rates notified from time to time by the Government of India in accordance with the New Pricing Scheme for Urea on the quantity of Urea sold by the Company for the period for which notification has been issued and for the remaining period, based on estimates.

Note 34 Contingent Liabilities
(a) Claims not acknowledged as debts:

- (i) The District Collector, Tuticorin vide his letter dated, 21 August 2009 had demanded ₹ 168.74 Crore (Previous year ₹ 168.74 Crore) towards lease rent for the utilization of 415.19 acres of sand quarry poramboke lands by the Company for its effluent treatment and storage of Gypsum for the period from 1975 to 2008. While raising this demand, the District Collector had ignored the proposal submitted by the Company during 1975 to the State Government seeking assignment of the said land which is still pending. The Company filed a writ petition challenging the demand before the Hon'ble Madras High Court and the court granted interim stay vide its order dated 21 April 2010 on further proceedings. During November 2010 the District Collector, Tuticorin filed a counter before Hon'ble Madras High Court praying for the vacation of interim stay. In September 2023, Single bench at Madras High Court had directed the Company vide their order dated 29 September 2023, to pay ₹168.74 Crores as lease rent to the Tamil Nadu government within 2 weeks from the date of the order. The Division bench has in its interim order stayed the demand raised by the Single judge till next date on the condition that Company pays ₹ 50 crores, which the Company has paid during the year. Refer Note 7(A).
- (ii) Tamil Nadu Water Supply and Drainage Board (TWAD) has claimed payments for the period during which the Nitrogenous plants were not in operation, based on 50% allotted quantity of water. The Company along with other beneficiaries has been enjoying this facility since inception of the 20 MGD Scheme for the last 48 years. Water Charges were paid to TWAD based on actual receipt by individual industries. The claims include interest

made by TWAD for ₹ 53.86 Crore (Previous year ₹ 46.85 Crore) is not acknowledged as debt, as this differential value from April 2009 to March 2024 is not supported by any Government Order and the other beneficiaries are objecting to such claims of TWAD.

- (iii) The Company has received a demand from VOC Port Trust for an increase in rental charges from 1 July 2007 onwards. The amount payable as on 31.03.2024 is ₹ 15.18 Crores (from 01.07.2007 to 31.03.2024) (Previous year ₹ 14.05 Crores). The Company obtained an injunction from the Madurai Bench of the Hon'ble Madras High Court against the claim made by the VOCPT and the stay has been granted till 10 June 2015. On 23.07.2015, Madurai Bench of the Hon'ble Madras High Court extended the stay until further orders.
- (b) No provision has been considered necessary by the Management for the following disputed Excise duty, Service tax, Sales tax and Electricity tax demands which are under various stages of appeal proceedings. The Company has been advised that there are reasonable chances of successful outcome of the appeals and hence no provision is considered necessary for these demands.

Note 39 Financial Instruments

39.1 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity shareholders. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and capital ratios in order to support its business and maximise shareholder value.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital. The Company includes within net debt, all non-current and current borrowings reduced by cash and cash equivalents.

The following table summarises the capital of the Company:

(₹ in Crores)

Particulars	As At 31 March 2024	As At 31 March 2023
a) Equity	951.19	886.02
b) Borrowings	464.42	398.47
c) Less: Cash and Cash equivalents	(69.06)	(16.42)
d) Less: Liquid Investments	(31.25)	(24.66)
e) Total debt(b+c+d)	364.11	357.39
f) Overall financing(a+e)	1315.31	1243.40
g) Net debt to capital ratio (e/f)	0.28	0.29
h) Interest coverage ratio	4.76	10.69

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year. No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2024 and 31 March 2023.

39.3 Financial Risk and Management Objectives

The Company's activities expose it to a variety of financial risks, credit risks, liquidity risks and market risks.

The Company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.

The risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adhere to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

1. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables and subsidy receivable

The Company receivables can be classified into two categories, one is from the customers into the market and second one is from the Government in the form of subsidy. As far as Government portion of receivables are concerned, credit risk is nil. For market receivables from the customers, the Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company has also taken security deposits from its customers, which mitigate the credit risk to some extent.

The credit risk on cash and bank balances is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

2. Liquidity Risks

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

	573.37	347.71	102.51	35.15	1058.73

3. Market Risk

Market risk is this risk that changes in market prices, such as foreign exchange rates and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the returns.

4. Foreign Currency Risks

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which transactions are denominated and the functional currency of the Company. The functional currency of the Company is Indian ₹ (INR). The currency in which these transactions are primarily denominated is US Dollars (USD).

- a. The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities based on gross exposure at the end of the reporting period is as under:

(In Million USD)

Particulars of Liabilities	As at 31 March 2024	As at 31 March 2023
Trade Payables		
Amount due on account of goods supplied	0.02	0.07

- b. Foreign currency sensitivity analysis

The Company is mainly exposed to fluctuations in US Dollar. The following table details the Company's sensitivity to a ₹ 2 increase and decrease against the US Dollar. ₹ 2 is the sensitivity used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only net outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a ₹ 2 change in foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupee strengthens by ₹ 2 against the US Dollar. For a ₹ 2 weakening against the US Dollar, there would be a comparable impact on the profit or equity.

₹/USD - decrease by INR 2	(0.00)	(0.00)	(0.01)	(0.01)

5. Interest Rate Risks

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

6. Commodity Price Risk

The Company's operating activities require the ongoing purchase of natural gas and reliquified natural gas. Prices are subject to price fluctuations on account of the change in the demand supply pattern. The Company is not affected by the price volatility of the raw materials as government finalise the subsidy rates payable to the fertilizer industry based on actual cost of production.

INDEPENDENT AUDITOR'S REPORT

To the Members of Southern Petrochemical Industries Corporation Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Southern Petrochemical Industries Corporation Limited (hereinafter referred to as the Company") its associates and jointly controlled entities, which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of reports of other auditors on separate / consolidated financial statements of associates and jointly controlled entities, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the Company and its associates and jointly controlled entities as at March 31, 2024, of consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and on consideration of audit reports of other auditors referred to in paragraph (a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Recognition, measurement and valuation of Subsidy income and related receivables

Refer to Note 2 (iv) 'Revenue Recognition' and Note 23 'Revenue from operations' to the standalone financial statements. The Company has recognised subsidy income of ₹. 1933.43 Crores for the year ended March 31, 2024.

The Company recognises concession (subsidy) income receivable in accordance with the New Pricing Scheme for Urea from the Department of Fertilizers, Government of India.

Recognition of subsidy income and assessment of its recoverability is subject to exercise of significant judgement and interpretation of relevant notifications by the management, which includes satisfaction of conditions specified in notifications, evaluation of recoverability of receivables etc., and has accordingly been considered as a key audit matter.

Our audit procedures included, but were not limited to the following:

- We understood the subsidy income recognition process, evaluated the design and implementation, and operating effectiveness of internal controls relating to subsidy income and related receivables.
- We read and understood their interpretations of the relevant circulars and notifications issued by GOI from time to time with regard to the subsidy policies that impact subsidy income and related receivables.

- We reconciled the sales quantity considered for subsidy income with the actual sales made by the Company and customer acknowledgements as per the IFMS portal of the DOF.
- We reviewed the quantities and rates considered for the purpose of recognising freight subsidy.
- We evaluated Management's assessment and reviewed underlying calculations regarding compliance with relevant conditions as specified in the notifications and policies.
- We analysed and discussed the status of outstanding subsidy receivables and its realisability with the Management and assessed the reasonability of provisions made towards outstanding subsidy receivables
- We traced credits to bank statements for the receipts during the year.
- We assessed the presentation of subsidy income along with related receivables and related disclosures in the standalone financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the Directors' Report and Management Discussion & Analysis etc but does not include the consolidated financial statements and our auditor's report thereon. The Directors' Report and Management Discussion & Analysis is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors' Report and Management Discussion & Analysis etc, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'

Responsibilities of Management and Those Charged with Governance/ Board of Directors for the Consolidated Financial Statements

The Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Company including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the Company and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and of its associates and jointly controlled entities for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Company and of its associates and jointly controlled entities are responsible for assessing the ability of the Company and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors / Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated Financial Statements.

Other Matters

The consolidated financial statements include the Company's share of net profit (including total other comprehensive income) of ₹.9.18 Crores for the year ended March 31, 2024, as considered in the consolidated financial statements, in respect of 1 associate and 1 Jointly controlled entity, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these jointly controlled entities and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid jointly controlled entities and associates, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the Separate / Consolidated Financial Statements of the associates and jointly controlled entities referred to in the Other Matters section above we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except for the matters stated in paragraph h(vi) below on reporting under Rule 11(g).
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Company as on March 31, 2024 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its associate companies and jointly controlled entities incorporated in India, none of the directors of the Company, its associate companies and jointly controlled entities incorporated in India are disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (h)(vi) below on reporting under Rule 11(g).
 - g. With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Company, its associate companies and jointly controlled entities incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Company, its associates and jointly controlled entities – Refer Note 34 to the consolidated financial statements.
- ii. The Company, its associates and jointly controlled entities did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its associate companies and jointly controlled entities incorporated in India.
- iv.
 - (1) The respective Managements of the Company and its associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such associates and joint ventures respectively that, to the best of their knowledge and belief, as disclosed in the Note 45(a) to the Consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such associates and joint ventures to or in any other person(s) or entity(ies), including foreign entities with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that such parties shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such associates and joint ventures (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (2) The respective Managements of the Company and its associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such associates and joint ventures respectively that, to the best of their knowledge and belief, as disclosed in the Note 45 (b) to the Consolidated financial statements, no funds have been received by the Company or any of such associates and joint ventures from any person(s) or entity(ies), including foreign entities with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company or any of such associates and joint ventures shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (3) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, and according to the information and explanations provided to us by the Management of the Company in this regard nothing has come to our or other auditors’ notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (1) and (2) above, contain any material mis-statement.
- v. On the basis of our verification and on consideration of the reports of the statutory auditors of associates and joint ventures that are Indian companies under the Act, we report that:
 - i) the final dividend paid by the Company and its joint venture during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.
 - ii) The Board of Directors of the Company and its joint venture have proposed final dividend for the year which is subject to the approval of their respective members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend. (Refer Note 50 to the consolidated financial statements)
- vi. Based on our examination, and based on the auditor’s reports of its associate companies and jointly controlled companies incorporated in India whose financial statements have been audited under the Act, except for the instances mentioned below, the Company, its associates companies and jointly

controlled entities incorporated in India have used accounting software(s) for maintaining their respective books of account for the year ended March 31, 2024, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software(s), and further, we did not come across any instance of audit trail feature being tampered with.

“In respect to the Company,

- i. In the case of one accounting software, used for maintaining its books of accounts, the audit trail was enabled at the application level throughout the year except for certain relevant transactions and was enabled at the database level with effect from February 5, 2024, to log any direct data changes. Accordingly, the audit trail facility which has been enabled has been operated throughout the period for which it has been enabled for relevant transactions in the software.
- ii. In the case of another accounting software used for the purposes of sales order creation and invoice generation, it has a feature of recording audit trail (edit log facility) only at the data base level but not at the application level. Further, the audit trail feature has not been enabled throughout the year, both at the application level and data base level.
- iii. Based on our examination, the Company has used an accounting software which is operated and maintained by third party software service providers for processing its payroll transactions for the year ended March 31, 2024. In the absence of independent auditors’ report from the service provider, we are unable to comment whether this software has a feature of recording audit trail (edit log) facility, nor are we able to comment on whether the audit trail feature was enabled in the said software and operated throughout the year for all relevant transactions recorded in this software.

“In respect of 1 associate,

- i. the Company has used an accounting software for maintaining its books of account during the year ended March 31, 2024, which has a feature of recording the audit trail (edit log) facility. Further, the audit trail was enabled at the application level throughout the year, except for certain relevant transactions, and audit trail was enabled at database level with effect from February 5, 2024, to log any direct data changes. Accordingly, the audit trail facility which has been enabled has been operated throughout the period for which it has been enabled for relevant transactions in the software.
- ii. the Company has used an accounting software which is operated and maintained by third party software service providers for processing its payroll transactions for the year ended March 31, 2024. In the absence of independent auditors’ report from the service provider, we are unable to comment whether this software has a feature of recording audit trail (edit log) facility, nor are we able to comment on whether the audit trail feature was enabled in the said software and operated throughout the year for all relevant transactions recorded in this software.”

“In respect of 1 Jointly controlled entity incorporated in India and as communicated by its auditors -

- i. the feature of recording audit trail (edit log) facility was not enabled at application level for one software and database level (to log any direct data changes) for three applications used for maintaining the books of accounts relating to maintenance of general ledgers, production and inventory accounting.
- ii. Daily back up is not configured for one application relating to sales accounting.”

2. In our opinion, according to information, explanations given to us, the remuneration paid by the Company and its associates and Joint ventures, to its directors is within the limits laid prescribed under Section 197 of the Act and the rules thereunder except in case of 1 associate and 1 jointly controlled entity, as the provisions of the aforesaid section is not applicable to private companies.

3. According to the information and explanations given to us and based on the CARO reports issued by us for the Company and on consideration of CARO reports issued by the statutory auditors of associates and jointly controlled entities included in the consolidated financial statements of the Company to which reporting under CARO is applicable, we report that there are no Qualifications/adverse remarks.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and Board of Directors.
- Conclude on the appropriateness of the management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company, its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SOUTHERN PETROCHEMICAL INDUSTRIES CORPORATION LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Southern Petrochemical Industries Corporation Limited on the consolidated Financial Statements for the year ended March 31, 2024]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls reference to consolidated financial statements of Southern Petrochemical Industries Corporation Limited (hereinafter referred to as "the Company") which includes the internal financial controls over financial reporting of the, its associate companies and jointly controlled companies, which are companies incorporated in India, as of that date.

In our opinion, and to the best of our information and according to the explanations given to us, the Company, its associate companies and jointly controlled companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal financial controls with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI").

Management and Board of Director's Responsibility for Internal Financial Controls

The respective Management and the Board of Directors of the Company, its associate companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Company, its associate companies and jointly controlled companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our

audit opinion on the internal financial controls with reference to consolidated financial statements of the Company, its associate companies and jointly controlled companies, which are companies incorporated in India.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to 1 associate company and 2 jointly controlled companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

Note 1 GENERAL INFORMATION

Southern Petrochemical Industries Corporation Limited ('the Company'/'SPIC'), having its registered office at Chennai is a Public Limited Company, incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange of India. The Company is manufacturing and selling Urea, a Nitrogenous chemical fertilizer and has its manufacturing facility at Tuticorin.

Note 2 MATERIAL ACCOUNTING POLICIES

i) Basis of preparation of financial statements

a. Statement of Compliance with IND AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except for the below material item that have been measured at fair value as required by relevant Ind AS:-

Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments)

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of sales and the time between the sale and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and noncurrent classification of assets and liabilities.

c. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected. Refer Note 3 for detailed discussion on estimates and judgments.

d. Basis of consolidation:

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company and its subsidiaries. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above. When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are

sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the company's accounting policies.

Investments in Associates and Joint Ventures

An **associate** is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

A **joint venture** is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Company's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Company's share of net assets of the associate or joint venture since the acquisition date.

The statement of profit and loss reflects the Company's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Company's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity.

The aggregate of the Company's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

(1) Interests in Jointly Controlled entities:

The Group's interests in jointly controlled entities are:

Name of the Company	Country of incorporation	Percentage of ownership interest	
		As at 31 March 2024	As at 31 March 2023
Tamilnadu Petroproducts Limited	India	16.93	16.93
National Aromatics and Petrochemicals Corporation Limited	India	50.00	50.00

(2) Investments in Associates:

The Group's associates are

Name of the Company	Country of incorporation	Percentage of ownership interest	
		As at 31 March 2024	As at 31 March 2023
Tuticorin Alkali Chemicals and Fertilizers Limited	India	23.46	23.46
Greenam Energy Private Limited	India	20.00	20.00

ii) Property, Plant and Equipment

Property, plant and equipment are stated at cost less depreciation and impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'. Items of stores and spares that meet the definition of PPE are capitalized at cost. Otherwise, such items are classified as inventories.

Depreciation methods, estimated useful lives.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible assets is recognized so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight line method. The company has followed the useful life as prescribed in Schedule II of the Companies Act 2013, except in respect of the assets pertaining to Tuticorin manufacturing plant in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support.

Asset	Useful Life
Building – Factory	25-65 years
Building – Others	45-75 years
Plant and Machinery	15-49 years
Furniture and Fixtures	12-33 years
Vehicles	8-26 years
Office Equipments	7-38 years
Roads	34-44 years
Railway sidings	40 years

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

iii) Fair value measurements

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Company.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The Company's management determines the policies and procedures for fair value measurement such as derivative instrument.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

iv) Revenue Recognition

The Company earns revenue primarily from sale of Urea.

Revenue is recognized upon transfer of control of promised products to customers in an amount that reflects the consideration which the company expects to receive in exchange for those products.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions and incentives, if any, as per the contract with the customer. Revenue also excludes taxes collected from customers.

Under the New Pricing Scheme for Urea, the Government of India reimburses, in the form of subsidy, to the Fertilizer Industry based on the Retention Price computed on the lower of Naphtha or Regasified Liquefied Natural Gas (RLNG) price. This has been accounted on the basis of the rates notified from time to time by the Government of India on the quantity of Urea sold by the company for the period for which notification has been issued.

The revenue has been further adjusted for input price escalation / de-escalation as estimated by the Management in accordance with the known policy parameters in this regard.

v) Taxes

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

a. Current Income tax

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b. Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The carrying amount of the deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognize MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as MAT Credit Entitlement” and grouped under Deferred Tax. The Company reviews the “MAT credit entitlement” asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

vi) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials, packaging materials and stores and spare parts are valued at lower of cost and net realizable value. Cost includes purchase price, (excluding those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Provision of obsolescence on inventories is considered on the basis of management’s estimate based on demand and market of the inventories.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

vii) Impairment of non-financial assets

The Company assesses at each year end whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the asset’s recoverable amount and the amount of impairment loss.

An impairment loss is calculated as the difference between an asset’s carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the

amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the “cash-generating unit”).

viii) Provisions and Contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

ix) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Assets

Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity’s business model for managing the financial assets and the contractual terms of the cash flows.

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in finance income using the Effective Interest Rate method (EIR).

Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets’ cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and

Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Profit or Loss (FVTPL): Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments: All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument- by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

The company has equity instruments in 4 (four) entities which are not held for trading. The company has elected the FVTOCI irrevocable option for these investments. Fair value is determined in the manner described in Note 6.

Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVTOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payment is more than 30 days past due.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Derecognition of financial assets

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

c. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

x) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

xi) Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest thousands as per requirement of Schedule III of the Act, unless otherwise stated.

xii) Subsidy from Government

Subsidies from the government are recognized when there is reasonable assurance that the subsidy will be received and all attaching conditions will be complied with. When the subsidy relates to an expenses item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Where the subsidy relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

xiii) Derivative financial instruments

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contract, to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date of which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

xiv) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e. the “functional currency”). The financial statements are presented in Indian Rupee (₹), the national currency of India, which is the functional currency of the Company.

Recent Pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Note 3 Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the yearend date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a. Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company neither have any taxable temporary difference nor any tax planning opportunities available that could partly support the recognition of these losses as deferred tax assets. On this basis, the Company has determined that it cannot recognize deferred tax assets on the tax losses carried forward except for the unabsorbed depreciation.

b. Useful lives of Property, Plant and Equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period.

c. Revenue Recognition

The Company provides customer incentives, such as rebates, based on quantity purchased, timing of collections etc. Various estimates are made to recognise the impact of rebates and other incentives on revenue. These estimates are made based on historical and forecasted data, contractual terms and current conditions.

d. Subsidy Income

Subsidy income is recognised on the basis of the rates notified from time to time by the Government of India in accordance with the New Pricing Scheme for Urea on the quantity of Urea sold by the Company for the period for which notification has been issued and for the remaining period, based on estimates.

Estimated amounts of contracts remaining to be executed on capital account and not provided for (net of advances) ₹ 25.45 Crores (Previous year ₹ 11.11 Crores).

Note 34 Contingent Liabilities

(a) Claims not acknowledged as debts:

- (i) The District Collector, Tuticorin vide his letter dated, 21 August 2009 had demanded ₹ 168.74 Crore (Previous year ₹ 168.74 Crore) towards lease rent for the utilization of 415.19 acres of sand quarry poramboke lands by the Company for its effluent treatment and storage of Gypsum for the period from 1975 to 2008. While raising this demand, the District Collector had ignored the proposal submitted by the Company during 1975 to the State Government seeking assignment of the said land which is still pending. The Company filed a writ petition challenging the demand before the Hon'ble Madras High Court and the Court granted interim stay vide its order dated 21 April 2010 on further proceedings. During November 2010 the District Collector, Tuticorin filed a counter before Hon'ble Madras High Court praying for the vacation of interim stay. In September 2023, Single bench at Madras High Court had directed the Company vide their order dated 29 September 2023, to pay ₹168.74 Crores as lease rent to the Tamil Nadu government within 2 weeks from the date of the order. The Division bench has in its interim order stayed the demand raised by the Single judge till next date on the condition that Company pays ₹ 50 crores, which the Company has paid during the year (Refer Note 7(A)).
- (ii) Tamil Nadu Water Supply and Drainage Board (TWAD) has claimed payments for the period during which the Nitrogenous plants were not in operation, based on 50% allotted quantity of water. The Company along with other beneficiaries has been enjoying this facility since inception of the 20 MGD Scheme for the last 48 years. Water Charges were paid to TWAD based on actual receipt by individual industries. The claims include interest

made by TWAD for ₹ 53.86 Crore (Previous year ₹ 46.85 Crore) is not acknowledged as debt, as this differential value from April 2009 to March 2024 is not supported by any Government Order and the other beneficiaries are objecting to such claims of TWAD.

- (iii) The Company has received a demand from VOC Port Trust for an increase in rental charges from 1 July 2007 onwards. The amount payable as on 31.03.2024 is ₹ 15.18 Crores (from 01.07.2007 to 31.03.2024) (Previous year ₹ 14.05 Crores). The Company obtained an injunction from the Madurai Bench of the Hon'ble Madras High Court against the claim made by the VOCP and the stay has been granted till 10 June 2015. On 23.07.2015, Madurai Bench of the Hon'ble Madras High Court extended the stay until further orders.
- (b) No provision has been considered necessary by the Management for the following disputed Excise duty, Service tax, Sales tax and Electricity tax demands which are under various stages of appeal proceedings. The Company has been advised that there are reasonable chances of successful outcome of the appeals and hence no provision is considered necessary for these demands.

Note 39 Financial Instruments

39.1 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity shareholders. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and capital ratios in order to support its business and maximise shareholder value.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital. The Company includes within net debt, all non-current and current borrowings reduced by cash and cash equivalents.

The following table summarises the capital of the Company:

(₹ in Crores)

Particulars	As At 31 March 2024	As At 31 March 2023
a) Equity	1075.62	985.75
b) Borrowings	464.42	398.47
c) Less: Cash and Cash equivalents	(69.06)	(16.42)
d) Less: Liquid Investments	(31.25)	(24.66)
e) Total debt(b+c+d)	364.11	357.39
f) Overall financing(a+e)	1439.73	1343.14
g) Net debt to capital ratio (e/f)	0.25	0.27
h) Interest coverage ratio	4.77	10.69

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year. No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2024 and 31 March 2023.

39.3 Financial Risk and Management Objectives

The Company's activities expose it to a variety of financial risks, credit risks, liquidity risks and market risks.

The Company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.

The risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adhere to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

1. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables and subsidy receivable

The Company receivables can be classified into two categories, one is from the customers into the market and second one is from the Government in the form of subsidy. As far as Government portion of receivables are concerned, credit risk is nil. For market receivables from the customers, the Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. The Company has also taken security deposits from its customers, which mitigate the credit risk to some extent.

The credit risk on cash and bank balances is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

2. Liquidity Risks

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the company's reputation.

3. Market Risk

Market risk is this risk that changes in market prices, such as foreign exchange rates and Interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the returns.

4. Foreign Currency Risks

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which transactions are denominated and the functional currency of the Company. The functional currency of the Company is Indian ₹ (INR). The currency in which these transactions are primarily denominated is US Dollars (USD).

- a. The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities based on gross exposure at the end of the reporting period is as under:

(In Million USD)

Particulars of Liabilities	As at	As at
	31 March 2024	31 March 2023
Trade Payables		
Amount due on account of goods supplied	0.02	0.07

- b. Foreign currency sensitivity analysis

The Company is mainly exposed to fluctuations in US Dollar. The following table details the Company's sensitivity to a ₹ 2 increase and decrease against the US Dollar. ₹ 2 is the sensitivity used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only net outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a ₹ 2 change in foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupee strengthens by ₹ 2 against the US Dollar. For a ₹ 2 weakening against the US Dollar, there would be a comparable impact on the profit or equity.

(₹ in Crores)

₹/USD - decrease by INR 2	(0.00)	(0.00)	(0.01)	(0.01)

5. Interest Rate Risks

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

6. Commodity Price Risk

The Company's operating activities require the ongoing purchase of natural gas and reliquified natural gas. Prices are subject to price fluctuations on account of the change in the demand supply pattern. The Company is not affected by the price volatility of the raw materials as government finalise the subsidy rates payable to the fertilizer industry based on actual cost of production.
